KANSAS CITY, MO., Nov. 2-At 2 a. m. the returns from the election in Kansas are very meagre, with both sides claiming the state officers and congressmen at large. republicans having carried the Thirti district for congress. Howell, republican, has carried Middlesex and Somerset countles by about 800, but returns from Monmouth are meagre and conflicting. Monmouth is naturally a democratic county, and Convery, democrat, may have defeated Howell.

BOISE, Idaho, Nov. 2.-Returns to 3 a. m. indicate the correctness of the claims of fusion leaders. If they are borne out the state will go for the fuon ticket by from 5,000 to 8,000.

BOISE, Nov. 9 .- Only 47 precincts in the state, embracing one-eighth of the vote, have been reported. They give Moss, republican, for governor, 2012; Steu-
