ak the young woman of his choice to share its life cannot be imagined.

The courtship of a young couple may be ver so romantic and their married life be ery unhappy. There are common sense unsiderations outside of loss that have onsiderations outside of love that have a orld to do with the making of married happiness. One of the most important of these considerations is the good health of both parties to the sacred tie. The young man who is in the incipient stages of consumption commits a crime if he matries before he is restored to health. He condemns his wife to the life of a narse and his children to extend the first of size. is children to early death, or lives of sick-less and suffering. Dr. Pierce's Golden Medical Discovery cures of per cent of all cases of consumption if taken in its earlier stages. This is its record established during the past thirty years. It is the great blood-maker, fiesh-builder, nerve-tonic and

general restorative.

The young woman who suffers from weakess and disease of the delicate and im-ortant organs that make wifehood and od possible has no right to answer Yes' to a young man's proposal until she thoroughly restored to health in a womanly way. Dr. Pierce's Favorite Prescrip-tion prepares a woman for wifehood and motherhood. It makes her strong, healthy motherhood. It makes her strong, healthy and vigorous where a woman most needs
