TRADE CONDITIONS STEADY.

NEW YORK, Doc. 9,-R. G. Dun & Company's Weekly Review will say tomorrow. The most significant thing this GOVERNMENT SECURES PROPERTY week was the entire absence of the customary nervous fright before or after a meeting of congress, the president's measage and the freasurer's report. The money and crty, for which negotiations have been stock and grain markets moved on exactly as if the government were automatle, certain to do or say no more than the people had aiready decided and expected; and so the gradual betterment ince October continues. There is a larger demand for products in nearly in this city the first gold and silver reall great industries, a larger export demand for foreign needs, and a more healthy domestic demand since season. able weather arrived, and confronting conviction that the November business the biggest ever done in this country in any month-was but a step toward something better. The exports last year in December were marvelous, but this year are starting far ahead.
