EXPANSION

President McKinley's recent unofficial intimation of his policy toward the Philippines is the highest importance, although it seems to have been overlooked by the newspapers.

This means, practically, of course, for centuries. It gives us control of Philippine affairs so far as to protect our interests in the east. This is, after all, the only real interest we have in that mongrel nation.

preparing to invade the sea, and to take our proper rank among the nations of the world, as a maritime power. Much thought and much public discussion is given to the subject of the proposed Nicaragua canal.

The United States is recognized by the rest of the world as one of the most progressive and advanced of all nations. In general intelligence, in ingenuity, in energy and accomplishment we have taken first rank, and in material resources we stand unequalled.

It is the primary duty of every woman to wear in her face the lilies and roses of health. It is one of woman's natural missions to please, and one of the first attributes of a pleasing woman is a complexion that shows the bloom of health.

The people of the interior of the country are beginning to realize that their interest is just as great, their employment just as extensive, and their prosperity as greatly promoted, in the construction of our own ships with which to do our own carrying, as are the seaboard cities and people.

"I am very thankful for what Dr. Pierce's Favorite Prescription has done for me," writes Mrs. R. E. Smith, of Grenola, Ark. "About a month before I was confined I had such pains that I could stand up only a little while at a time. I could not rest at night or at any other time. I could scarcely eat anything."

There are so many dupes because there are so many vanity-men and all women are dupes. TO CURE A COLD IN ONE DAY. Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25 cents. The genuine has L. B. Q. on each tablet.

LA GRIPPE SUCCESSFULLY TREATED. "I have recovered from the second attack of la grippe this year," says Mr. James A. Jones, publisher of the Leader, Mexico, Texas. In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former in pneumonia.

HOW TO PREVENT PNEUMONIA. You are perhaps aware that pneumonia always results from a cold or from an attack of la grippe. During the epidemic of la grippe a few years ago, when so many died of pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or la grippe to result in that dangerous disease. It is the best remedy in the world for both colds and la grippe. Every bottle warranted. For sale by Charles Rogers, druggist.

TO THE PUBLIC. We are authorized to guarantee every bottle of Chamberlain's Cough Remedy to be as represented and if not satisfactory, every after two-thirds of the contents have been used, will refund the money to the purchaser. There is no better medicine made for la grippe, colds and whooping cough. Price 25 and 50 cents per bottle. Try it.

PLAYED OUT. Dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores are all positive evidences of impure blood. No matter how it obtains so soon as purified in order to become good health. Ackert's Blood Purifier has never failed to cure scrofulous or syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. For sale by Estes-Conn Drug Co.

No healthy person need fear any dangerous consequences from an attack of la grippe if properly treated. It is much the same as a severe cold and requires precisely the same treatment. Remain quiet at home and take Chamberlain's Cough Remedy as directed for a severe cold and complete recovery is sure to follow. For sale by Charles Rogers, druggist.

Some months ago Lieutenant Julien Vland, of the French navy, better known as Pierre Loti was put on the retired list, and he has been trying to be put back on the active list ever since. The old sea dogs of the navy, however, say that he ought to stay retired and write novels, as he can do that sort of work very much better than he can perform the duties of a naval officer.

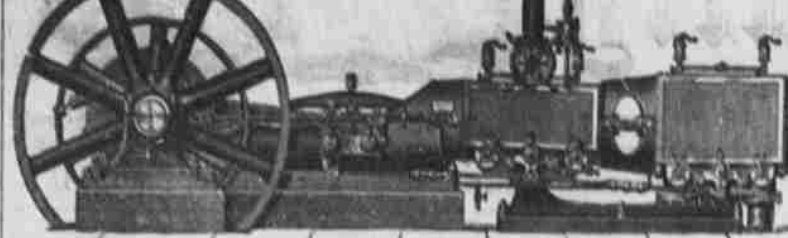

Mold Toss positively cures stick headache, indigestion and constipation. A delightful herb drink. Removes all eruptions of the skin, producing a perfect complexion, and money refunded. 25 and 50 cents. For sale by Estes-Conn Drug Co.
