THE CANNERY COMBINE.

The most important enterprise for Asnow pending, is the cannery coma purchase, by a new conmost of the numerous canneries on the Columbia river. The buyer is a two million-dollar corporation abundantly

The first valuable effect will be the introduction of about \$450,000 foreign cash money into this part of Oregon. It is understood that amount of cash will be actually paid out to the cannerymen This influx of new money will give a no table impulse to every other enterprise is this region. It is reported that one of the cannerymen will immediately put hi cash money into an enlarged saw mill enterprise. Other important results must follow such a distribution of ready money

ency and melancholy. In almost every case of this kind the woman is really suffering from weakness and disease of the distinctly feminine or ganism. Frequently she does not realize her own condition. If she does, she shrinks from undergoing the "examinations" and "local treatments" insisted upon by the average physician. Dr. Pierce's Favorite Prescription is the medicine needed by women who suffer in this way. It acts directly on the sensitive organs concerned and makes them strong healthy and vigorous. It allays inflamma tion, heals ulceration, soothes pain and tion, hears ticeration, soothes pain and tones and builds up the shattered nerves. It transforms weak, sickly, nervous, despondent invalids into happy, healthy wives and competent mothers. It fits for wifehood and motherhood. It makes "examinations" unnecessary. LA GRIPPE SUCCESSFULLY TREATED.

"I have recovered from the second attack of la grippe this year," says Mr. James A. Jones, publisher of the Leader, associations dealing in an un. Mexia, Texas. In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack. The second strack I am satisfied would have been equally as bad as the first but for the use of this remedy, as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business for about two days before getting 'down."

HOW TO PREVENT PNEUMONIA

You are perhaps aware that pneumonis always results from a cold or from an attack of la grippe. During the epidemic of la grippe a few years ago, when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used It counteracts any tendency of a cold or la grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and la grippe. Charles Rogers, druggist

No healthy person need fear any dangerous consequences from an attack of la grippe if properly treated. It is much the same as a severe cold and requires precisely the same treatment. Remain quietly at home and take Chamberlant's Cough Remedy as directed for a severe cold and complete recovery is sure to follow. For sale by Charles Rogers,

Mr. Louis Gordes, Agent for Columbia Bleyeles, Astoria, Oregon: My Dear Sir-I take this occasion to thank you for advising me to purchase the Columbia Chainless Bicycle, for my daughters, six months ago. It is of the most perfect mechanism, and gives the most perfect satisfaction of any piece of machinery that I have ever had in my possession. It was used constantly for three months this summer by my three laughters at my summer home on Claiup Beach, where it was subjected to the sandy roads and beach and to the rogs and spray of the occup, and there is not a marved spot on ...; nor have I had to have five minutes repairs made on it since it has been hi my possessio Again expressing my appreciation, and thanking you for my good fortune in possessing the wheel, I remain, most respectfully, at your service,
