A RICH CHARTER

Tacoma Ledger: One of the richest charters to fall to a sailing vessel in years past is that just secured by the bark Marion Chilcott, from the United States government. STEAMERS She has been chartered to load hay, grain and general merchandise from the Sound for Manila, at the rate of \$5 per ton, either measurement or weight prevailing, as the agents, Mesurs, Bartlett

& Steel, see fit. When it is considered that one ton of GARIBALDI hay taken by measurement means almost six tons taken by weight, the profit on the voyage may be realized. The same way with timber, one ton in weight wit qual one and one half tons.

The Marion Chilcott will carry in the neighborhood of 2,690 tons. Testimonials of Its Value.

MRS. F. BARKER.-I have tried the vapor bath and think it is especially good to have in a family-particularly for

breaking up a cold. MRS. MARY MACKE, Midwife-After a full trial, I consider the Quaker Cabinet one of the best inventions ever made for baths. No family should be without one.

HENRY SHERMAN-I have had rheumatism every winter for several years, but this winter, since using the vapor bath have had no rheumatism. My wife also recommends it very highly.

MRS. R. E. SMITH-Having used the cabinet I considerett excellent, especially for bad cases of the gripp, which was effectually cured by it.

F. W. NEWELL -- One using of the vapor bath practically cured a female member of my family of la grippe conditions.
