Judge Taylor's statement of the city and county indebtedness discloses a state of affairs that well merits the attention, property rose, it became the metropolis and study of all taxpaying citizens. It of the coast, the total public indebtedness has reached ermous sum of \$700.000 dollars, involving an annual interest charge of \$42. the development coming, and realized Portland sat down and waited. ng, and it is time to call a halt some-Ion as to the proper remedy to be applied, that. A quarantine station had been or- to equal that of a duli ran'r. but there can be no dissent as to the importance of the utmost economy possible in all departments of the city and stood still. It proved itself impotent to gignature county government. Judge Taylor is secure trade, to attract manufacturers. quite right in saying the matter is not to provide employment for larger popula.

There is not the slightest doubt that the **Beware of the Doctors'** doctors do more harm than good in treating Contagious Blood Poison; many victims of this loathsome disease would be much better off to-day if they had never allowed them-selves to be dosed on mercury and potash, the Patchwork; You Can

Cure Yourself at Home. only remedies which the doctors ever give for blood poison.

The doctors are wholly unable to get rid of this vile poison, and only attempt to heal up the outward appearance of the disease—the sores and eruptions. This they do by driving the poison into the system, and endeavor to keep it shut in with their constant doses of potash and mercury. The mouth and throat and other delicate parts then break out into sores, and the fight is continued indefinitable the dore of the dore of the break out into sores, and the fight is continued indefinitely, the drugs doing the system

into sores, and the fight is continued indefinitely, the drugs doing the system more damage than the disease itself.
Mr. H. L. Myers, 100 Mulberry St., Newark, N. J., says: "I had spent a hundred dollars with the doctors, when I realized that they could do me no good. I had large spots all over my body, and these soon broke out into running sores, and I endured all the suffering which this vile disease produces. I decided to try S. S. S. as a last resort, and was soon greatly improved. I followed closely your 'Directions for Self-Treatment,' and the large splotches on my chest began to grow paler and smaller, and before long disappeared entirely. I was soon cured perfectly and my skin has been as clear as glass ever since. I oured my self at home, after the doctors had failed completely."
T is valuable time thrown away to expect the doctors to cure Contagious Blood Poison, for the disease is beto cure Contagious Blood Poison, for the disease is be-
