CANCER IS DEADLY! Job Printing

Results Fatally in Nine Cases Out of Ten-**Cure Found at Last.**

This fearful disease often first appears as a mere scratch, a pimple or lump in the breast, too small to attract any notice, until, in many cases, the deadly disease is fully developed.

Cancer can not be cured by a surgical operation, because the disease is a virulent poison in the blood, circulating throughout the system, and although the sore or ulcer-known as the Cancer-may be cut away, the poison remains in the blood, and promptly breaks out afresh, with

The wonderful success of S. S. S. in curing obstinate, deep-seated blood diseases which were considered incurable, induced a few despairing sufferers to try it for Cancer, after exhausting the skill of the physicians without a cure. Much to their delight S. S. S. proved equal to the disease and promptly effected a cure. The glad news spread rapidly, and it was soon demonstrated

beyond doubt that a cure had at last been found for deadly Cancer. Evidence has accumulated which is incontrovertible, of which the following is a specimen:

"Cancer is hereditary in our family, my father, a sister and an aunt having died from this dreadful disease. My feelings may be imagined when the horrible disease made its appearance on my side. It was a malignant Cancer, eating inwardly in such a way as to cause great alarm. The disease seemed beyond the skill of the doctors, for their treatment did no good

whatever, the Cancer growing worse all the while.

Numerous remedies were used for it, but the Cancer grew steadily worse, until it seemed that I was doomed to follow the others of the family, for I know how deadly Cancer is, especially when inherited. I was advised to try Swift's Specific (S. S. S.), which, from the first day, forced out the poison. I continued its use until I had taken eighteen bottles, when I was cured sound and well, and have had no symptoms of the dreadful affliction, though many years have elapsed. S. S. S. Is the only cure for Cancer.—Mas. S. M. IDOL, Winston, N. C.

Our book on Cancer, containing other testimonials and valuable information, will be sent free to any address by the Swift Specific Company, Atlanta, Georgia.

Love that Afters. That is one of the sublimest lines in al It is the final definition of love by the world's greatest reader of the human

When she loses it and still loves on, no one in the wide world can know the heart agony from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her ed looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo. N. Y., with the assistance of his staff of able physicians, has prescribed for many thousands en. He has devised a perfect and scientific remedy for women's ailments. It is known as Dr. Pierce's Favorite Prescrip-tion. It is a positive specific for all weak-nesses, diseases, disorders, displacements, irregularities, and debilitating drains pecultar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it, and no honest dealer will advise

you to accept a substitute that he may make a little larger profit.

"I was afflicted with kidney trouble and I have always had a torpid liver," writes Mrs E. Crosswhite of Duffau Frath Co. Texas. When I commenced your medicine I was not able to stand on my feet. I used one bottle of Dr. Pierce's Favorite Prescription and five vials of his 'Pleasant Pelleis.
