The Place to Save Money

506—508 Commercial Street, ASTORIA, OREGON.

IN issuing this price list we wish to thank those people of Astoria as well as the surrounding country who have accorded us a share of their patronage, and we assure you we shall do our best to merit a continuance of it.

To those of you who have as yet not "tried the new store" we herewith extend a cordial invitation to call, with the assurance that we will give you better values, and more liberal treatment than anywere else in town.

"Seeing is believing."

We make no PRETENCE of selling goods at cost, neither do we imitate others in their prices. Our prices are original with us and NOT governed by what others charge, and you will find OURS to be almost invariably the cheaper.

Our connection with the "Cash Buyer's Union" (composed of thirty-five merchants in Oregon, Washington and Idaho, who buy collectively from the same manufacturers, thus securing better prices and more liberal discounts, than the merchant who buys alone coupled with our policy of "small profits, quick sales, enables us to undersell competition.

One price to all and that the lowest.

We stand ready, not only with the goods, but with the cash, to rectify any mistake and make good anything not satisfactory.

All our trade has been won by those two most powerful factors
