TIDE TABLE.

Table with columns for DATE, HIGH WATER, and LOW WATER. It lists tide times for various dates from July 16 to July 22, 1899.

The common folk, humiliated as Astoria is, would rather have their names in the columns of the Astorian than in the columns of the Portland paper.

Portland to favor the O. R. & N. One party when its railroad previously always Portland the advantages of her commercial profits and regular trains and Seattle in competition with her by buying up the freight route in the spring.

By allowing the advantages in the benefits to remain, the other system is favored. Seattle's Little Early Hours regular service to Portland and the other will have a better chance to get the business.

When a woman actually divorces that her health has been ruined she is in a jump at the realization that there is to be no more of it.
