"PUGET SOUND AND THE COLUMBIA"

When the people of Portland fully realize how they have been duped under "Jim" Hill's management of the "Oregon" road a howl of indignation will be wafted back to President Mohler...

Explanation from it, however willing or unwilling it may be. It refuses to discuss the seaport problem with the Astorian, and its only answer to repeated demonstrations in other papers of Portland's decline...

The most notable increase in exports from the Pacific coast the past month was in flour. While the total value of breadstuffs exported from the Puget sound districts in June was \$32,280...

The exports of flour from the Willamette district for June last were 57,007 barrels, as against 39,904 barrels in the same month of the previous year.
