A COMMON CAUSE.

President Metier admitted that the Northern Pacific had been forced anto its at Tapresent position by topography. If the siderable share of the cereal products of the Columbia river basin it must do so through the gap in the Cascade mountains," as Mr. Mellen expressed it. If it inconsid can not get the use of the O. R. & N. cket on which to run its trams it must build a track of its own. It was useless to continue the attempt to fight nature by dragging wheat cars over the Cascade itains to tidewater on Poget sound. if his company wished, as a permanent thing, to carry any considerable share of in their his have a shorter line to St. Paul. This morter line will be built up the Columbla fin case trackage can not be secured thence through Clearwater pass to Missocia.-Yesterday's Gregorian.

& N. dictated by the Sound roads, and designed to deprive Portland Mellen, published in the Tucoma News

spread all over my body.
These soon broke out isle
sores, and it is easy to
imagine the suffering I
endured. Before I bename convinced that the
doctors could do no good.
I had spent a handred
dollars, which was really

I had spent a handred dollars, which was really thrown away. I then tried various passes the property of the passes when I had finished my first bottle of 8.8. I was greatly improved and was delighted with the result. The large red splotches on my chest began to grow paler and smaller, and before long disappeared entirely. I regained my lost weight, became stronger, and my appetite greatly improved. I was soon entirely well, and my skin as clear as a plece of glass.

H. L. Myras, 100 Mulberry St., Newark, N. J.

autiful castles to be built by the

might become realities if mothers would only teach their daughters the most com-mon sense facts about their own physical make-up, and advise them how to protect themselves from the perils of the three critical periods of their lives—puberty or maturity motherbood and the "turn of life." Women at these times suffer from irregularities and weaknesses which, if

neplected, will develop into dangerous dis-cases and make their whole lives wretched. The delicate organs that make wifehood

and motherhood possible, cannot be neg-bed and impurity. If they are neglect-ci that result is unhappy with hood, and motherhood will be a menace of death.

Dr. Pierce's Favorite Prescription is an un

filling specific for all diseases of these organs. It restores them to perfect health. It promotes regularity of their special functions. It fits for wifehood and mother hood. It tones, invigorates and builds up the nerves that have been shattered by pain and suffering.

" For years my wife suffered from what the doctors called prolapsus of the uterus," writes Mr. Harry Chant, of Mr. Haskell Street, Dallas, Teaas, "She was nervous, had colt hands and feet, paintiation, headache, backache, constipa-
