## DREYFUS IS ASSAILED

**Merciless Attack by Gen. Roget Before the Court Martial.**

**PRISONER WAS UNMOVED**

**Cruel Accusations Met the Steady Gaze of Dreyfus—Judges Refuse Application to Adjourn.**

RENNES, Aug. 16.—General Roget before the Dreyfus court-martial today made an attack on Colonel Picquart, which will undoubtedly lead to a confrontation of the two men. He treated Dreyfus without mercy, both in words and attitude. In fact it seemed at times as though he would provoke the prisoner into striking him. The general's manners were almost passionate. In his outbursts at the end of his testimony, he uttered the most ruthless attacks with the air of one delivering a pleasant Sunday school address, leaning over the front of the witness rail, sipping from a glass of water, wiping his lips and mopping his brow with perfect self-assurance.

But again and again he would half turn in his chair, and, pointing his finger at Dreyfus, would repeat some cruel accusation, at the same time fixing his eyes on the prisoner, his head inclined forward like that of a cobra waiting the moment to strike. Dreyfus was not affected and steadily returned his gaze, sometimes throwing a glance at the president of the court as though appealing for permission to reply. Once when General Roget had flung one of these darts, stopped and deliberately paused, one could see fire in Dreyfus eyes and in his tightly clinched jaws could be divined the struggle that was going on within him. A captain of the gendarmes, seated besides Dreyfus, watched him closely.

## M'ARTHUR IS KEPT BUSY

**Enemy Attacked at Angeles and Routed With Heavy Loss.**

**TWO AMERICANS KILLED**

**Loss to Rebels Was Two Hundred Killed and Wounded—Attacked at Other Points.**

WASHINGTON, Aug. 16.—Another sharp engagement between MacArthur's command and the insurgents was reported to the war department today in the following dispatch from General Otis:

"Manila, Aug. 16.—Adjutant general, Washington.—MacArthur's troops occupy the country from Canadalla to a point near Angeles, thence toward Borac, his line taking in Santa Maria, Guigay, and Bacolor. Colonel Smith with ten companies of the Twelfth Infantry and two guns of the First Artillery, attacked today the enemy encampments in the outskirts of Angeles, estimated at 2,500, driving them away and inflicting upon them a reported loss of 200 killed and wounded. Our loss was two killed and 12 wounded.

"On the 11th instant, General Young's troops, consisting of detachments of the Fourth Cavalry, Twenty-first, Twenty-fourth and Twenty-fifth Infantry, drove the insurgents northwest of Manila and San Mateo, into the mountains, returning the following day. A column of the insurgents, 500 strong, descending the road east of Balingay for the purpose of taking the railway were driven off by our Balingay and Quinsa troops and routed yesterday. This force is in full retreat northward carrying a number of their officers.

"Angeles was permanently occupied at once. OTIS."

**COLORADO REGIMENT ARRIVES.**

Are Met on Board Transport by Gov. Thomas and Committee of Citizens.

SAN FRANCISCO, Aug. 16.—The United States transport Warren, having on board the Colorado regiment, passed in the Golden Gate at 5 o'clock and anchored in the stream. A quarantine officer boarded the transport and as she comes from an infected port will carefully examine everyone on board. If there is no contagious disease on board, the transport will dock tonight and the men will be landed tomorrow morning. A committee of Colorado citizens, headed by Governor Thomas, who came here to welcome their returning regiment, went out to meet the Warren.

The regiment, commanded by Colonel McCoy, returns with 46 officers and 824 men, about 250 less than the number who sailed from San Francisco last year. Just before the regiment departed from Manila, 35 of the First Colorado enlisted in the Thirty-seventh regiment volunteers, which was formed in the Philippines.

Two deaths occurred after the Warren left Yokohama. The remains of the soldiers were buried at sea. In addition to the Colorado regiment the Warren also brought from the Philippines 129 discharged soldiers and 29 stewards and nurses. About 40 of the men on board are suffering from dysentery.

**GREAT DISTRESS CAUSED BY SAN JUAN HURRICANE.**

Storm and Whole Towns Were Hundreds of People Perished in the Demolished.

NEW YORK, Aug. 16.—A despatch to the Herald from San Juan, says: Communication with the distressed districts is still only partly open.

Arecibo and later was flooded by the hurricane and Manatee rivers. Two hundred bodies have already been recovered and hundreds more are missing. It is thought they were swept into the sea.

The town was inundated to a depth of six feet. After the water subsided the dead were found lying everywhere. The bodies were buried on the spots where they were found.

The town is now rapidly filling up with starving persons from the country. Only four soldiers were drowned but all are without shelter. Captain McComb and his men did valiant service in saving life. Forty persons were rescued from floating wreckage. A thousand are homeless and starving.

## PLATFORM IS LAUNCHED

**Iowa Democrats and Populists Denounce Philippine War.**

**RE-ENACT CHICAGO PLATFORM**

**Demand Re-Nomination of Bryan, Declare War Against Trusts and Oppose Anglo-Saxon Alliance.**

DES MOINES, Iowa, Aug. 16.—The democratic state convention today nominated the following ticket:

Governor, Frederick E. White, Keokuk county.

Lieutenant governor, M. L. Bevis, Montgomery county.

Judge of the supreme court, A. Van Wageningen, Woodbury county.

Railway commissioner, W. H. Calhoun, Marshall county.

Superintendent of public instruction, B. P. Holst, Boone county.

The populist state convention also met and endorsed the above ticket. All the nominees are democrats except Calhoun, who was the populist candidate. The Chicago platform was endorsed in its entirety. Cato Sells could have been nominated for governor but he was not acceptable to the populists and he withdrew, throwing his strength to White, who was the candidate on the fusion ticket two years ago, being defeated by Governor Shaw. The convention was very turbulent throughout and business was transacted with difficulty, but the results are satisfactory to the radical silver element, which was in control.

It is not probable, however, that the sound money element will make an attempt to maintain a separate organization this year. The resolutions, after endorsing the Chicago platform in a whole and in detail, proclaim their admiration for and loyalty to that peerless exponent of democratic principles, William J. Bryan, and favor him for nomination in 1900. The resolutions then go on to say:

"We rejoice in the exalted sentiment and motive that prompted the government of the United States to take up arms in defense of the bitterly oppressed people of Cuba and in the successful termination of war with Spain, but we deprecate the continued war against the Philippines.

"We also condemn the war against the Philippines, believing it to have been inspired by Great Britain for the purpose of producing conditions that will force an Anglo-American alliance, and we not only protest against the war and demand its termination by the extension to the Philippines of the same assurance given to Cubans, but we record our deep seated antagonism to an alliance with Great Britain or any other European power and express our detestation of the attempt made in British interests to disrupt the friendly relations which have uniformly existed between the United States and Germany.

"We oppose the conquest of the Philippines because imperialism means militarism, because militarism means government by force.

"We view with alarm the multiplication of those combinations of capital commonly known as trusts, that are killing and monopolizing industry. These trusts and combinations are the direct outgrowth of the policy of the republican party. We demand that they be suppressed by repeal of the present tariff and other privileges conferring legislation responsible for them. The populist party resolutions are similar in theory.

**TO EXPEDITE SENDING OF REINFORCEMENTS TO OTIS.**

Four Additional Transports Chartered by Secretary Root—Columbia at Portland Among Them.

WASHINGTON, Aug. 16.—Secretary Root has been in consultation with officers of the quartermaster department today, with the view of expediting the movement of the Philippine reinforcements and as a result he this afternoon directed that four additional transports be chartered.

They are the Puebla, Belgian King, Columbia and the Charles F. Nelson. These four ships have a capacity of 2,500 men. The Puebla is now at San Francisco and the Columbia at Portland, Oregon. The other two vessels are expected to arrive at San Francisco in about ten days, and it is expected all of them will be ready to sail for Manila by September 15.

It is Secretary Root's desire that the entire body of reinforcements for General Otis' army may reach the Philippines for service during the month of October at the least and to that end he has been quietly negotiating for additional ships. It is now believed that all of the 10 regiments will have landed at Manila by the time the dry season opens. A short and successful campaign of this new army would of course obviate the necessity of sending any additional volunteers to the Philippines, and the plans under consideration at the war department are said to be predicated on that line, it being the intention that whatever troops may be recruited will be held in reserve for possible contingencies.

**FOUR BOYS ARRESTED.**

Charged With Attempting to Blow Up Two Cars at Cleveland.

CLEVELAND, O., Aug. 16.—Four boys, their ages ranging from 16 to 19, were arrested this morning in connection with an attempt to blow up two cars during the late strike on July 22. The boycott incident to the strike has been carried into at least one church on the South side. Rev. James Fall has been boycotted, and a young woman connected with the church choir has been told that, if she does not refrain from riding on the Big Consolidated cars, she must resign her position in the choir.

**RECRUITS FROM THE EAST.**

PORTLAND, Aug. 16.—One hundred recruits for the Thirty-fifth regiment, being organized at Vancouver barracks, arrived today from California and the east.

**OARSMEN FOR REGATTA.**

VANCOUVER, B. C., Aug. 16.—The Vancouver oarsmen will leave tomorrow to represent the Vancouver Rowing Club in the forthcoming regatta at Astoria.

**RE-ENACT CHICAGO PLATFORM**

**KILLED BY ELECTRIC SHOCK.**

Son of State Senator Joseph Instantly Killed in Portland.

PORTLAND, Aug. 16.—Hawthorn Joseph, aged 19, son of State Senator Joseph, was killed at his home on the East Side this afternoon by an electric shock. He was fixing the electric lights in the house when he came in contact with a live wire. The shock threw him to the floor and caused almost instant death.
