## ROBBERS MAKE A BIG HAUL

### Stage Held Up in Montana and \$5,000 Secured.

### ONE PASSENGER IS ROBBED

### Robbers Make Good Their Escape and the Chances of Capture Are Slim.

DILLON, Mont., Aug. 22.—The stage between Salmon City and Red Rock was held up at noon yesterday, half a mile inside of the Idaho line, eighty miles from here. Four men, H. T. Reiney, manager of the dredge company working on the old McNutt property, near Salmon City, Idaho, was a passenger. He had more than \$5,000 in gold dust, which he was bringing to Dillon. The robbers took it.

The robbers then mounted horses, which were concealed in the timber, and escaped. Sheriff Pile and Deputy Stoler have left for Bannock in pursuit. It is reported Reiney offers \$500 reward.

The chances of capture are very slim. The region is mountainous and uninhabited.

### SECOND DAY'S SESSION.

(Continued from fourth page.)

and a kicking that served a two-fold purpose, a merry pace was established. It was soon discovered that Tommy Ross was slowly but surely forging ahead. His precipitate speed first worried, then utterly exhausted his lagging antagonists. Amid great rejoicing, Tommy was declared the winner of the hardest fought engagement of the regatta.

An extra attraction for the afternoon was the published slack wire performance of Benjamin Hudson. Mr. Hudson gained fame in the east as a balancer and equilibrist. According to Mr. Hudson's statement, the wire yesterday was hung too slack for the purpose and the exhibition, in consequence, was deferred until today. Dr. Riehl regaled the crowd with his life-saving kite, although by reason of the passing and repassing of tugs, steamers and other water craft, his work was seriously interfered with.

Following are the events as reported by the judges:

Indian canoe race, between Dr. Pete and John Johns, won by Pete.

Outrigger skiff race, between Ted Ayres, of the Alamedas, and Dr. Dennis, of the South End crew, 3/4 and return, won by Dr. Dennis, time 11 min. 19 sec.

Four-oared barge race between the Berkeley and Alameda crew, 3/4 mile and return, won by Alameda.

This was only an exhibition race, as the Berkeley crew was short one man by sickness and had to substitute a stranger.

Double skull race between a Portland crew, composed of Hart and Scott, and a Vancouver crew, composed of Alexander and Thompson, 3/4 mile and return, won by Portland, time 13 min. 13 sec.

This race was a walk over for the Portland crew, as an oarlock broke on the Vancouver boat at the turning buoy, and that crew came in far behind.

The time of the sloop race (39-footers) was as follows: Lark, No. 3, 1 hour 25 min. 20 sec.; Helen, No. 1, 1 hour 25 min. 41 sec.; Curio, No. 4, 1 hour 27 min. 59 sec.; Scout, No. 2, 1 hour 28 min. 12 sec.; Empero, No. 2, 1 hour 28 min. 4 sec.

Sloops (free for all): Dauntless, 2 hours 14 min. 18 sec.; White Wings, 2 hours 26 min. 25 1/2 sec.; Blue Jacket, 2 hours 55 min. 7 sec.

Whitehall boats: Tallant, No. 2, 1 hour 29 min. 47 sec.; Warren No. 3, 1 hour 56 min. 23 sec.; Larson, No. 1, 1 hour 59 min. 47 sec.

Today's program, commencing at 9 o'clock, and put on regardless of fixed time, will consist of punt races, a goose hunt, exhibition of high and sub-marine diving, a balloon ascension (at noon), single scull race, double pleasure boat race, four-oared boat race, Alameda vs Vancouver, single pleasure boat race, and a clay pigeon shoot.

In the afternoon, commencing at 2 o'clock, at the A. F. C. grounds, there will be a series of field sports, consisting of bicycle racing, foot racing, hurdle racing, a three-legged race, greased pig race, a slack wire performance and exhibitions of boxing and wrestling.

Besides these sports, if sufficient time permits, there will be acrobatic and tumbling performance given by Hilligan and Lean, of the University of California.

These sports will all be free and open to the public, without any charge.

### THE CAKE WALK.

Colonel Dunne Undertook to Set a Pace and Was Called Down.

The cake walk, given under the auspices of the regatta committee at the A. & C. railway building on the water front last night, was successful in attracting a large attendance.

At exactly a quarter past ten o'clock, the band struck up a lively air, and Commodore Edwards made his appearance, followed by Colonel Dunne and Peter Grant, who constituted the advance guard of the cake walkers. After passing in review once around the hall, the procession halted in front of the grand stand. Richard Robinson, assuredly the "swiftest coon in the bunch," was then introduced as the master of ceremonies for the evening.

Mr. Robinson wore a long and gray colored coat with a red satin finish, light trousers, white gaiters and black shoes. A shining black silk hat completed his accoutrement. Preceding the contest, Mr. Robinson sang "I'll have to telegraph my baby." With guitar and mandolin accompaniment and a full chorus of negro voices. The selection was well received and called forth an encore.

The five couples who competed, walked gracefully, but the leading feature of the occasion was the fancy dancing of the Master of Ceremonies, and likewise, his promenade in company with Mr. Garfield, who was dressed in woman's attire. Tim Anderson and Lena Johnson, the winners in the cake walk were accorded an ovation at the termination of the entertainment. Commodore Edwards and Colonel Dunne walked for a pie, but as Colonel Dunne set a pace in advance of the signal, he was promptly disqualified, and the pastry was awarded to the commodore.

The contestants were Tim Anderson and Lena Johnson, Richard Robinson and Viola Brown, John Reed and Lillian Davis, Andrew Clark and Jennie Anderson, Jimmie Anderson and Flora Davis.

### STILL MORE COUNTERFEITING.

The Secret Service has unearthed another band of counterfeiters and secured a large quantity of bogus bills, which are so cleverly executed that the average person would never suspect them of being spurious. Things of great value are always selected by counterfeiters for imitation, notably the celebrated Hostetter's Stomach Bitters, which has many imitators but no equal for indigestion, dyspepsia, constipation, nervousness and general debility. The bitters sets things right in the stomach, and when the stomach is in good order it makes good blood and plenty of it. In this manner the bitters get at the seat of strength and vitality, and restore vigor to the weak and debilitated. Beware of counterfeiters when buying.

A woman will confide a lot more about her husband to a friend than she will confide to her husband about herself.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene Co., Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by Charles Rogers.

A MOTHER TELLS HOW SHE SAVED HER LITTLE DAUGHTER'S LIFE.

I am the mother of eight children and have had a great deal of experience with epidemics. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering.—Yours truly, Mrs. George F. Burdick, Liberty, R. I. For sale by Charles Rogers.
