Irrigation on the town lots is in full swing. Harry Murchie has a faculty of adapting himself to circumstances. The water in some way broke thru the street into his new basement on Main street and before it was discovered there was enough water corraled to float a battleship. Harry is arranging to open up a swimming pool.

The cooked food sale conducted in the new bank building last Saturday was a success and we look for more in the near future. We would suggest that the ladies hold one each Saturday and feed their men on crackers and water during the week. Oh you pocket book! But it's a change (from crackers and water) and well worth the price.

The Boardman Trading Company has installed a 40-light electric lighting system which is a decided improvement over kerosene and gasoline and much more convenient. Now that the long days are here there will be little needs for artificial light for a few months, but this preparedness for the long nights ahead is an evidence of progress on Mr. Kingsley's part.

Our ball team journeyed to Ione and took on a little side issue to the league schedule in a splendid game with Ione's last team. The score stood seven to eight in favor of Ione but every body was well pleased with the team work on both sides. Pitcher McNutt had all the heavy stickers on his hip from start to finish. Senters was credited with a three bagger which drove in two runs in the eighth inning. The day was good and the boys were full of pep to the finish. Next Sunday we will have a game at home with Umatilla and the visitors will have to have as much stowed up energy as the proposed power sight if they expect to carry home any bacon.

Teachers Elected
 The following teachers were elected Monday night to positions in the Boardman schools for next year: Guy Lee, from Monmouth Ore., will have charge of the Junior high. Mr. Lee is a Normal graduate with considerable experience in upper grade work, chorus and band experience, and comes highly recommended. Miss Calista Abbey of Goble, Ore., where she has been in charge of the first and second grades was elected to the primary position. She is equipped to teach music and art in her grades, plays the piano, and has had experience with playground work. H. H. Crawford, local ex-service man was elected to the position of manual arts, science and athletics. Mr. Crawford shows a broad list of academic subjects and much practical training in mechanics and industrial subjects. Mr. Crawford has not yet certified in Oregon, but expects to do so at the first examination in June. Miss Myrtle McNeill and Miss Naomi Runner have been re-elected to the 5th and 6th grades and Latin-History-English respectively. Definite action has

not been taken on the remaining subordinate positions.

BOARDMAN UTELLEM

VOL. I. BOARDMAN HIGH SCHOOL, BOARDMAN, ORE., APRIL 15, 1921 NO. 8

Boardman Utellem
 Edited by Boardman High School.

Declamatory Contest
 The declamation finals were well attended last Friday night in the school auditorium. There were twenty contestants. Mahava Kutzner, last year's winner, was again the choice of the judges for first place, in Division I. Norma Gibbons is alternate. In Division II, Weldon Ayers won, alternate Louise Klages; Division III, Wahnona Rands, first alternate Caryl Signs. Prof. P. J. Mulkey, and Misses Miller and Gray of the Arlington schools were judges. Refreshments were served in the school cafeteria after the contest.

"Safety First" — Saturday, April 23. Reserve the date. Admission 25c, 35c.

Boardman Hi vs. Arlington Hi
 The Hi school base ball team played the Arlington team Saturday. Arlington won by a score 17 to 7 owing to having their star players back on the team again, who had just recovered from the mumps. The pitcher had not quite recovered, he still had his hand bandaged. The Boardman team made their scores during the first half, but "blew up" in the seventh inning. The Boardman people are contemplating a new ruling in base ball circles, namely: Base ball shall have six innings instead of nine!

"Safety First" to Be Staged
 The date for "Safety First" has been set for April 23, and preparations are going forward rapidly in order to give the audience their money's worth on that date. The manual training department is making the stage settings; and costumes will be procured from Portland for part of the characters. The proceeds of the play will be given over to the athletic department.

"Safety First" — Saturday, April 23. Reserve the date. Admission 25c, 35c.

Girls!
 Did you know the Boardman Hi girls had a base ball team? They have. The Arlington girls know they have too. The Boardman girls pranced down to Arlington, April 9, and walked all over them. Boardman Hi girls beat by a thin margin of 21 to 19.
 The Arlington girls put up a good game. The pitcher used the Babe Ruth style until she let loose of the ball. It was a good game altho the umpire made bad decisions for both sides.

"Safety First" — Saturday, April 23. Reserve the date. Admission 25c, 35c.

April Fool Party
 The girls athletic Association gave the high school and friends an April Fool party April 1, in the auditorium. The entertainment was characteristic of the date, and all present acted their parts. Leroy did sleight of hand performances with his feet; Mrs. Harter gave an exhibition of

Mrs. Mason's, most pleasing painting, and Edna had people wrought up to a great stage of excitement in a peanut hunt which ended with everyone eating the peanuts which they found Alton starred in a game of Blind Man's Buff, and then everyone danced to music which was heavenly and sublime. The "eats" were served in the cafeteria and were pronounced prime—even to the cotton and walnut shells.

"Safety First" — Saturday, April 23. Reserve the date. Admission 25c, 35c.
