VOL. 1

BOARDMAN, MORROW COUNTY, OREGON, FRIDAY, APRIL 22, 1921

No. 11

UMATILLA WINS BALL GAME AT BOARDMAN

The base ball fans who attended the Umatilla-Boardman game at Boardman last Sunday were treated to a fast and furious game from start to finish. In the seventh inning, with the score five to five, the game was halted for the space of half an hour by a violent wind storm which turned the diamond into a whirlpool of dust making it impossible for the batters to see the pitcher. After the wind had subsided the game was resumed and the local boys again hit the ball all over the field.

Good pitching by Smith in the first five innings and Hutchinson in the last four, supported by errorless and spectacular fielding held the Boardman boys to six runs.

Up to the lull in the seventh inning it looked like Umatilla would have a hard battle to hold Boardman down to six runs, however, heavy hitting by the Umatilla boys proved too much for their opponents and the final score stood ten to six in favor of the aggregation.

Catcher Andrews of the Boardman team is deserving of special mention for his numerous long throws from home plate to second base. Fortunately he failed several times to catch the runner napping. The playing of Lewellyn, centerfield for Umatilla was characterized by his usual unflinching catches of long drives made by Boardman batters. In this connection, great credit is due Pond and Compton for similar work in the field, not forgetting the heavy hitting and base stealing by the balance of our boys.

Keplord substituted for Albert Ford, Umatilla's catcher. The latter was indisposed but his keen interest in the work of his team as well as his great desire to see the boys win was incentive enough to take him to Boardman. He and Sam Boardman were "drafted" as umpires. Several close decisions featured the game, however, both sides appeared to be satisfied and the fans were appreciative of the umpiring.

Andrews Stops a Wide One

McNutt Winds Up

Jess Lower Just Before

Standing of Teams in Irrigation League.

Team	Won	Lost	Percentage
Hermiston	4	0	1.000
Stanfield	3	1	.750
Umatilla	2	2	.500
Echo	1	3	.333
Irrigon	1	3	.250
Boardman	0	3	.000

The schedule of future games as adopted is as follows:

April 24
Stanfield at Echo.
Hermiston at Irrigon.
Boardman at Umatilla.

May 1
Umatilla at Stanfield.
Echo at Boardman.
Irrigon at Hermiston.

May 8
Stanfield at Boardman.
Hermiston at Echo.
Irrigon at Umatilla.

May 15
Boardman at Stanfield.
Umatilla at Hermiston.
Echo at Irrigon.

May 22
Stanfield at Umatilla.
Irrigon at Echo.
Hermiston at Boardman.

May 29
Hermiston at Stanfield.
Echo at Umatilla.
Boardman at Irrigon.

May 30
Boardman at Echo.

After the ten games scheduled to and May 29th five more games will be played on a schedule arranged as follows:

The standing of the clubs will be computed and the two highest in the percentage column will play two games, the team with the highest average to get the first game on their home grounds. The two next highest will play two games on the same dates as above, and the two lowest teams will also play two games on the same dates and as above. After the two games have been played, the percentages will again be added and two more games played on the same kind of arrangements. After these last two games are played, the percentages will again be ascertained and one game will be played on a similar basis as before with this exception that the game will be played on the grounds agreed upon by the contenders and the gate receipts will be split 50-50.

Weekly Road Report

Columbia Highway (Pendleton to Portland) Pendleton to Deschutes river, good gravel and macadam road, excellent good and fair. Deschutes to The Dalles to Mosier better, rough gravel. Mosier to Hood River good. Balance Paved.

Old Oregon trail (Pendleton to Huntington) Pendleton to La Grande over Blue Mountains now possible, all cars going thru Union county supplying teams at bad places. La Grande to Baker fair. Baker to Huntington good except near Durkee where there is construction work.

Oregon Washington Highway (Walla Walla to Columbia highway via Heppner) Walla Walla to Pendleton paved except six miles, keep to highway. Pendleton to Pilot Rock under construction but first part good remainder rough and dry. Pilot Rock to Heppner good dirt road, Heppner to Willows on Columbia Highway thru Lone go d dirt road.

Pendleton to Spokane, Pendleton to Walla Walla paved. Walla Walla to Spokane all good roads some excellent. Route either by Central or Lyons ferries.

Bingham Springs Road. Pendleton to Cayuse good. Temporary bridge now in near Thornhollow allowing traffic. Thornhollow to Gibbon bad. Gibbon to Bingham good.

Pendleton to Cold Springs. By Holdman or south Springs road. Both good.

Pendleton to Helix. Ten miles paved. Cut off to Helix on Highway is in good condition. Part under construction.

Pendleton to Burns. Pendleton to Pilot Rock fair. Pilot Rock to Albee fair. Albee to Ukiah bad. Impossible further over mountains.

Pink Salmon Cocktail

Flake one-pound can of pink salmon and remove bones and skin. Place in 8 cocktail glasses, pour over each one tablespoonful of the following dressing: Serve with slice of lemon and wafer dressing:

- 1 tablespoon horseradish
- 1 tablespoon vinegar
- 1 tablespoon Worcestershire sauce
- 2 tablespoons tomato catsup
- 2 tablespoons lemon juice
- 1 dash of tabasco
- 1 teaspoon salt

Very appetizing Will serve 8 persons.

OREGON NEWS NOTES OF PRINCIPAL EVENTS HAPPENING DURING WEEK

A woman's auxiliary of the American Legion has been organized at Creswell. Albany is already making preparations for a two days' celebration of the Fourth of July.

Burglars visited Banks recently and looted the Banks Mercantile store and Schroll's garage.

Work will begin before June 1 on a new public school building to be erected in Albany.

Methodists of Corvallis are preparing to build a \$100,000 church, to be completed within a year.

A total of 524 coyotes were trapped and killed by government trappers in Oregon during the month of March.

The Wheeler county fair board is making preparations for the annual exhibition at Fossil, September 29 and 30.

One Pacific coast, one tri-state and seven state conventions are already booked for Astoria for the summer of 1921.

Cos county's paved highway between Marshfield and Coquille has been completed and thrown open to traffic.

The Southern Pacific plans to spend \$100,000 at Roseburg in extending the railroad yards and increasing the trackage.

The wool growers of Coos county met in Myrtle Point Monday for the purpose of forming a pool to handle their wool.

Oregon City complains of a scarcity of houses. People are leaving the city because they can find no place in which to live.

The Linn County Oil, Gas & Development company expects to have an oil drill in operation near Albany by the middle of May.

Former residents of Iowa will meet at Salem, June 17, for the annual reunion and picnic of the Iowa State association of Oregon.

Lester Hall, 20, is dead at a Corvallis hospital as a result of electrocution and fell from the top of a Southern Pacific electric car.

A total of \$18,000 was expended during the month of March in construction, maintenance and repair of permanent roads in Gilliam county.

W. I. Reynolds, former city school superintendent of Polk county, is dead at Dallas. Mr. Reynolds had taught school in Oregon for 37 years.

Joseph Lyons has agreed to install the remainder of the water system at Reedsport and to accept in payment \$40,000 of the last issue of bonds.

A student union building as a war memorial is to be erected by the students and alumni on the campus of the Oregon Agricultural college.

Lumbering in the vicinity of Baker in eastern Oregon is on the increase and sawmills are rapidly employing crews to operate at full capacity.

Agitation has begun for a new county to be carved from the western portion of Lane and Douglas counties, with Reedsport as the county seat.

To test the quality of sugar beets grown on the soil of the Ochoco project, County Agent Tucker has secured seed for the planting of five acres.

With wheat at 85 cents and oats at 40 cents, the market price of grain in Salem is at the present time as low as it has ever been in the last decade.

The Dalles city council has ordered the issuance of \$80,000 in bonds for street improvements, a septic tank and the construction of new water mains.

Governor Olcott has announced the reappointment of William S. Gilbert of Astoria as a member of the board of regents of the University of Oregon.

Warrants drawn by the Linn county court total \$262,715.44 in excess of the potential resources of the county. In 1920 the overdrafts amounted to \$88,115.15.

Troops No. 1 and No. 2, Boy Scouts of America, of Astoria, each will adopt an Armenian orphan boy and appropriate \$5 a month for the support of their respective wards.

For the purpose of establishing a wholesale drug house in Eugene, a number of citizens there have organized the Oregon Drug company, with a capital stock of \$100,000.

Establishment of a third airplane base and the allotment of five additional planes for forest patrol duty in Oregon have been recommended by Major H. H. Arnold, chief of the air service.

The postoffice department has declined to reopen the case of Frank Stott Myers, former Portland postmaster, who was removed from office more than a year ago.

The largest and only completely motorized shingle mill on the Columbia will be opened by the Kelly Lumber company at Warrenton in a few days. The plant will have a capacity of 100,000 shingles a day.

A force of men are employed in improving the roadbed of the Jacksonville railway and putting in new ties preparatory to resuming service. The railroad suspended service as a result of the big snow storm in 1919.

All state, county and municipal-owned motor vehicles are subject to license, the same as private machines, according to a letter prepared by Sam A. Koser, secretary of state, for transmission to officials having jurisdiction over these classes of cars and trucks.

Ray Stratton, a 12-year-old boy of Corvallis, shot and killed Dick Logsdon, after Logsdon had attacked the lad's father and had beaten the elder Stratton. A coroner's jury brought in a verdict to the effect that young Stratton was justified in killing Logsdon.

To fight tuberculosis in Columbia county the St. Helens Chamber of Commerce sponsored a free tuberculosis clinic which was held in the court house Wednesday. Free examinations for the tuberculous, or for all who have reason to believe they have been exposed to the infection, was the object of the clinic.

Oregon's national guard jumped to third place in the entire United States in strength and efficiency as shown in the monthly report received at the adjutant general's office from the secretary of war. Oregon continues far ahead of all Pacific coast and western states and in the entire United States is led slightly in relative strength by Rhode Island and Minnesota.

The state livestock sanitary board recently outlined plans to combat anthrax should it appear in the livestock districts of the state during this summer. Last year the disease was prevalent in Malheur county, with considerable financial loss to livestock raisers. As a rule anthrax makes its appearance in August, when the ground has cracked from hot weather.

While the opening of the spring fishing season on the Columbia river will be at noon, May 1, less preparation is being made for the opening day than at the corresponding time of any previous year in the history of the industry. This is due to the unsettled condition of the salmon market and the uncertainty of the prices which will prevail both for the raw material and the cured product.

First of the large oil companies operating in this state to report its sales and distribution of motor vehicles fuel, upon which the additional 1 cent tax was imposed by the recent session of the state legislature, was the Associated Oil company, which remitted to Secretary of State Koser \$14,232.98, which represented the total tax paid for the month of March under the law enacted in 1919 and 1921.

There were five fatalities due to industrial accidents in Oregon in the week ending April 14, according to the state industrial accident commission. The victims were Clyde Hatton, steamboat worker, Portland; Jack Hamilton, watchman, Oregon City; Nicholas Holzappel, miller, Portland; Frank Mongrain, grain handler, Portland, and Lester W. Hall, chauffeur, Corvallis. A total of 405 accidents were reported for the week.

After traveling more than 6000 miles by sea and land, 59 pure-bred Guernsey cattle, among them a number of half-grown calves, arrived at the Pacific International stock-show building at North Portland last week. The animals came direct from the Isle of Guernsey, off the coast of England. They will comprise the entries of an important auction sale of Guernsey breeding stock that will be held at the stock-show building Tuesday, April 26.

Over 5,000,000 seed plants of strawberries and loganberries have been shipped from Marion county since February, in addition to 50,000 prune trees which sold at a price from 20 to 40 cents each.

Hi Team Defeated

The boys' base ball team of the High school went to Heppner Saturday to play the high school team there. O. H. Warner took a truck load and T. E. Broyles drove his car full of boys and girls with Mrs. Harter as chaperon. While Boardman was ignominiously beaten at base ball they were all royally entertained and enjoyed the trip immensely. Heppner will not play a return game this year on account of the expense, but will play at Boardman next year.

Slim Chance For Farm Loan

H. H. Crawford, the secretary of the local National Farm Loan association, has received the following communication under date of April 16th 1921, from the Federal Bank of Spokane.

In reply to your letter dated April 12th, we respectfully beg to advise that we cannot furnish any information as to when we will find it possible to conduct further investigations in that district. We will make due note of your request for application blanks and give it consideration as soon as it shall be possible for us to do so.

It seems proper to say to you that unless conditions change very greatly, we shall be unable to reach many qualified persons in time to be of service to them, though every possible effort will be made to meet the borrowing requirements of our district.

Another Rap at John Day

Judge Phelps has granted a restraining order directed against M. D. Clark, C. C. Clark and Edward Reitman, directors of the John Day Irrigation district; F. R. Brown, secretary; F. A. McMenamin, board attorney; Lewis & Clark and John H. Lewis, district engineers; sheriffs of Morrow, Umatilla and Gilliam counties and T. J. Humphreys, treasurer of Morrow county. This will stop all activities pending final adjudication of the suit started to test the legality of the district organization and the levying of a 50c per acre tax.

An Odd Bull Fight

President Obregon of Mexico has given his sanction to bull fighting by appearing one Sunday afternoon when Rodolfo Gaona and Ernesto Pastor fought jointly. He occupied a ring side seat. When Pastor, playing the last bull, made what appeared to be a death thrust, the President arose to leave, and the band immediately struck up the national anthem. The bull, however, was not dead and started to charge. At the sound of the anthem he stopped in his tracks, lowered his head, and with Pastor standing at rigid attention not three feet from the bull's horns, the hymn was completed. A second later the bull tumbled over dead. Veteran fighters asserted the spectacle was the strangest ever seen in the Mexico City arena.

LETTER FROM SECRETARY ON POWER SITE STATUS

The following letter gives the latest "dope" on the Umatilla Rapids Power Site association. The executive committee at their meeting discussed ways and means to raise funds to get a congressional committee out here to inspect and pass on the feasibility of the power site.

Dear Mr. Boardman: At last, the Secretary of your association is on the job. Have been considerably delayed in taking hold of things here, but I hope to more than make up for this delay in a very short time.

Now that I am here, I hasten to advise you of the present status of the situation, which is as follows: Since the last meeting in Walla Walla, all efforts of Judge Phelps and others interested here have been directed toward gathering available and accurate data relative to this site. About three weeks ago, Mr. Copper visited Pendleton and conferred with members of the committee here, after which he conferred with Governor Olcott in Salem and the Governor has asked the Governor of the State of Washington for cooperation in the gathering of this data and while no answer has yet been received, it is expected that Mr. Chase, the Hydraulic Engineer of Washington will assist in the work.

John H. Lewis will also assist Mr. Copper and he advises that it will cost in the neighborhood of \$1400.00 to get the data. It is thought that \$400 can be secured from the State Engineer's Department of Oregon and a like amount from the same department in Washington. It is thought that \$400 can be secured from the State Engineer's Department of Oregon and a like amount from the same department in Washington. It is thought that \$400 can be secured from the State Engineer's Department of Oregon and a like amount from the same department in Washington.

The data gathered will be used for presentation to the Secretary of the Interior and the party of Congressmen accompanying him on a proposed trip west this summer and to the Federal Power Commission later.

Pres. Phelps called a meeting of the executive committee in Pendleton Friday, April 8th, at 1:00 P. M. in the Commercial Club rooms. The purpose of this meeting was to discuss future procedure of the Association.

Very sincerely yours,
C. I. Barr, Secretary.

Food Value of Salmon

Pink and chum salmon are among the most wholesome and least expensive foods it is possible to procure at the present time. These two varieties, by reason of their greater abundance, but not from lack of quality, are the cheapest. Altho they differ in color and flavor, so that each is specially suited to certain dishes, they are alike in their high food value.

"Safety First" — Saturday, April 23 Reserve the date. Admission 25c, 35c.
