Margaret Reynolds Company Presents High Type of Musical Programs at Chautauqua on the Second Day

Western audiences are soon to have the opportunity of passing judgment on The Margaret Reynolds Company, a trio of artists which has been received with favor throughout the East. It is a company organized and coached by Mary Adel Hays, the well-known American coloratura soprano. Margaret Reynolds, who heads the company is a rarely talented soprano who has appeared in recital in many of the larger cities. Miss Taylor, the violinist, a pupil of the great master, Leopold Auer, is a truly sensational young artist. Guy Mariner, New Zealand pianist, has thoroughly established his name in musical circles.

PRESS COMMENT ON PHILIPPINES

The Philippines!
(Shenandoah (In.) Post.)
Our idea of the Philippine question is to get out as quickly as possible and stay out. What do you say?

Our Little Brown Cousins
(Argus, Rock Island, Ill.)
There is no mistaking that Filipinos want their independence. And it is just possible, as they insist, that they in the islands, better than we Americans over here, are the best judges of whether they are fitted for independence. The United States wants no outburst in the Philippines as England fires in Ireland. The easiest way to head off a rebellion is to give the

islands their independence before they have cause to rebel.

Shall We Let Philippines Go?
(Cedar Rapids (In.) Republican.)
The United States cannot continue to hold the Philippines unless this nation wants to give the lie to its own professions in the matter. The United States must keep faith with the world. The American people do not want the Philippine Islands to become their Irish question.

Filipinos Are Making Headway
(Mt. Vernon (O.) Republican-News)
The Filipinos are making an intensive and intelligent campaign for independence. They are urging their claims with shrewdness and vigor. They declare that they have proven beyond question that they are capable of self-government, and they believe that with independence the Filipino will so conduct himself as to gain the respect of the world.
