GREATEST COMEBACK IN BASEBALL

"Babe" Adams, leading pitcher for the fast going Pittsburg Pirates which are now leading the National League race, is perhaps the greatest come-back ever seen in baseball. Twelve years ago in 1909, he pitched the Pirates to victory in world series play over Detroit, winning three games himself. Then came the day in later years when his arm weakened, seemingly, and he was sent back to the minor leagues—finally landing in a small Kansas circuit. But "Babe" wasn't through. He set to work and he pitched such great ball that the Pirates sent for him.

IRRIGON NEWS ITEMS

Grapes are beginning to move this week. The L. A. Doble Fruit farm shipped two tons of fancy packed Vardens to the various markets on Tuesday and expects to ship every other day for the next week or two. Quality of the grapes this year is unusually good. W. L. Suddarth is also delivering more or less from his patch direct to the consumers. Muscat grapes will be ready soon.

N. Seaman is in receipt of two letters from Fred Bennion, county agent of Umatilla county, on seed potato questions. In his first letter, he calls our attention to the grade of seed potatoes to be had from Weston Mountain and that some growers are now contracting this certified seed at \$40.00 per ton, but most of them are inclined to hold back for higher figures. Mr. Seaman took the matter up immediately with Mr. Bennion and finds that this seed consists mostly of Nettle Gems and Burbanks. Mr. Bennion's answer in full reads as follows: "If you are after Early Ohio or Earliest of All you perhaps can do no better than take advantage of the offer made the Moscow firm. Weston Mountain will produce this year nothing but certified Nettle Gems and Burbanks. Some growers, however, are planning on growing some certified stock another year." From this you will understand, the variety desirable for this district is hard to get but if anyone can or wishes to try out Nettle Gems and Burbanks, they should

take their case up with Mr. Bennion at Pendleton.

Dale Watkins took a truck load of Elberta peaches from the C. E. Glasgow ranch to Heppner Friday. The crop is short this year, but owing to the scattering fruit on the trees, they are far larger than for many former years, and of exceptionally good flavor.

A number of young people gave a surprise party on Dale Watkins Saturday evening, the occasion being Dale's birthday, and all had a lovely time singing, playing cards and dancing until early hours of the morning. Refreshments in way of a light lunch and ice cream were served at midnight.

ROUND-UP FEATURE AT HEPPNER FAIR ASSURED

Secretary Smead, of the Morrow County Fair association, states that the contemplated Round-Up features for the coming fair on September 15th, 16th and 17th is now assured, and in connection therewith will be some fine racing. An 800-yard oblong track is now being made at Gentry field, and it may be possible that this will be lengthened out to one-half mile.

The Round-Up will be in the hands of thoroughly competent managers and for this feature Mr. Smead states he is assured of 50 horses, and he looks for many more. Besides there will be bucking bulls and wild steers and these features will present many thrills.

Good racers are being listed for the track and from fifteen to twenty fast animals are expected to participate in the races, to which, of course will be added the pony and saddle horse races of the Round-Up.

The getting together of a fine lot of grain, fruit and vegetable exhibits is progressing and this part of the fair is going to be bigger and better than ever, as will be the stock exhibits also.

DOCTOR LOCATES AT UMATILLA

Last Monday Dr. Ray W. Logan of La Grande, closed a deal involving a five-year lease on the business property of Mr. and Mrs. H. H. Edwards of this city. Dr. Logan will occupy the building as soon as he can install modern hospital appliances and supplies, including an X-Ray machine which is badly needed in this end of the county. An up-to-date establishment will be opened at an early date, special attention being paid to surgical and obstetrical cases. Miss Ruth Hayes, an experienced trained nurse, will be in attendance at all times.

Dr. Logan was born in The Dalles, and is the only son of Dr. Hugh Logan, who practiced medicine at that point for forty-two years. Many old-timers in this section will recall Dr. Logan, Senior. Dr. Ray Logan received his early education at the Bishop Scott Military Academy in Portland, and after being graduated

from that school in 1895 he attended Stanford University in California. After leaving Stanford Dr. Logan entered the Medical Department of the University of Oregon from which he graduated in 1900. He was then appointed house surgeon at the St. Vincent's Hospital in Portland, and served in that capacity for eighteen months. Since leaving St. Vincent's Dr. Logan has practiced in Sherman county and at La Grande.—Umatilla Spokesman.
