

BOARDMAN

Mr. King's new barn is in the process of erection, and it's a dandy, too.

Mr. Larsen was home for the week-end.

Mrs. Kutzner and family spent Sunday with the King's. Yer ort to see the girls over there!

O. H. Warner was a Hermiston visitor Saturday.

Mr. Kutzner is helping Mr. King with his new barn.

Royal Rands went to Hermiston on business last week.

Mrs. Amelia Calvert is visiting with her brother, Edd Kunze.

Miss Lela Heckes is a guest of Miss Welma Gilbreth this week.

Lee Mead was out to the ranch the other day putting out rabbit poison.

Mr. Howell is adding a few improvements to the interior of his house.

Earnest Brown has been confined at home with a cold and a gripp this week.

Vaughan Keys left for Portland the first of the week to be gone for about a month.

Mr. and Mrs. Healy and daughter Doris, attended the dance at Mrs. Brown's Saturday night.

Mrs. Ira A. Berger is suffering with frozen heels. At this writing she is again able to wear her shoes.

Mr. Agee's nephew of Umatilla, is visiting here for a few days. He reports the chickens doing fine.

Mrs. Garrett now has a telephone installed in her home on the Gibbons' ranch. Call her up, sisters.

The rabbit drive Saturday in the East End was well attended. About 25 were at Mr. Miller's for lunch.

Everyone is predicting spring and from the amount of work in sight everyone ought to be busy when it does get here.

We wonder what happened to the Irrigon correspondent last week. Just a few items instead of the usual big assignment.

The surprise dance given at Mrs. Ray Brown's was well attended, and all report a glorious time. Anyway, they made a night of it.

Miss Myrtle McNeill is spending the enforced holiday with Mrs. Blanche Watkins, Boardman primary teacher, who lives at Irrigon.

Wasn't that poem signed Mrs. M. C. in last week's issue clever, tho? We think we know who Mrs. M. C. is, but we are not certain. Anyhow, it was good.

At a special meeting of the city council Tuesday evening they closed a deal for the water works system which is a step in the right direction. Now for a well.

Mr. Huff, the Arlington plumber, is here this week making needed repairs to the water pipes in the school building.

The interest in base ball has become evident in spite of the weather. Last Saturday night the local club gave a dance in order to secure money for supplies.

Henry Klages and little Jessie visited with Mrs. Klages at the Umatilla hospital Monday, returning on Tuesday. We are glad to hear Mrs. Klages is doing nicely.

A small farewell party was given in honor of Miss Esther Chaffee Tuesday evening as she is soon going away to school. All report a very pleasant time and sorry to see her go away.

We ought to be able to keep cool next summer from the amount of ice being put up, W. A. Murchie putting up about sixty tons and Mr. Chaffee and Mr. Jenkins each about fifteen tons.

Mrs. G. H. Murphy of Reedsport, is here visiting with her father, A. V. Mow. Mr. Murphy is expected soon and is thinking of locating here. Plenty of room for more people and we hope they will join us.

Mr. and Mrs. Wicklander spent Sunday evening at the Rands home. Mr. Wicklander is an old friend of Arden Meuch. The evening was spent in talking over old times. Light refreshments were served.

Mr. and Mrs. Nate Macomber and daughter, Syble Grace, Dorothy Boardman, and Arden Meuch were guests at the Royal Rands home for chicken dinner Sunday, which was very much appreciated after the rabbit drive.

The Misses Ethel Broyles and Belle Packard, who have been attending the Advent school at College Place, returned home last Friday. They have both been quite ill since the holidays and were unable to keep up with their studies.

Arden Meuch of Portland, uncle of Mr. and Mrs. Royal Rands, was a guest at their home last week. He enjoyed the dance and rabbit drive very much. He was also very much surprised at the growth of our community as he was here three years ago.

The Rev. Mr. Hillis, who serves the churches at Boardman and Irrigon, has been delivering a series of sermons in Umatilla during the past week, and will resume again next week. At present he is absent in the Western part of the state on other religious matters.

If you want a new piece of furniture for your home, just express your wants to Mr. Cohoon, and name your pattern. He will carry out your wishes to perfection. (And, believe me, he can draft for the fashions, too. If you don't think so, just see Dumphy's soldier suit.)

On Friday night we had hoped the worst was over, when for a few hours a southwesterly chinook prevailed, but during the night the frost king again assumed sway and the enforced vacation of the school is still on. With the continued cold some of the pipes in the more exposed places are bursting, and the extent of the repairs necessary will be unknown until they are all loosened up by warmer weather.

Mrs. Effie Ritchey, president of the C. E. Union 17, who came on Wednesday to be present at the C. E. rally and banquet, was unable to leave until Saturday, although she was due at Irrigon Friday night. She had a severe attack of tonsillitis and spent Thursday and Friday in bed, but felt that she had to fill her appointment at Lexington on Saturday night so left on No. 24. She will speak at Umatilla Monday night; Ione, Tuesday, and at Irrigon on Wednesday. She was to have been in Ione on Friday night, but a basket ball game which had been previously scheduled prevented even though she had been able to go.

Your little paper will soon be a year old. Started at the beginning of the slump, under adverse circumstances, the Mirror has enjoyed some prosperity, nevertheless, and the solution of the small town paper has been solved.

Boardman is not large enough to support a printing plant and publish a paper of her own, but under the present arrangement she is getting a bigger and better paper than many other towns of three times the size.

The publisher knows you have your own little setbacks and "getting by" is the chief interest in life just now. But when things go "fluey" with the farmer, the printer has hard sledding too.

So, to co-operate with you and share the loss, we are going to offer the Mirror at a reduced price for a few weeks.

Most of you are in arrears to some extent, but it is because money is scarce. But money is just as scarce with us as it is with you.

To all who will pay their subscriptions in advance for one year between now and February 1, 1922, we will make a rate of

\$1.50 Per Year

We have never asked you to pay the second installment of your subscription, fully appreciating the condition of the rancher these days, but by meeting you half way, may we not expect renewals from all of you and new subscriptions from the few who do not take the paper.

THE MIRROR.

UNION PACIFIC SYSTEM
OVERLAND

THE above picture is a photographic reproduction of a scene in the heart of Los Angeles—Westlake Park—chosen because it embraces at a glance so many of the ideal features for pleasure in Southern California, and is typical of numberless scenes similar in character. Representatives of the

UNION PACIFIC SYSTEM
will gladly furnish instructive and beautifully illustrated booklets giving complete information about this glorious playground of the West. Let them tell all about hotel rates, railroad fares, through car service, the famous Circle Tour through San Francisco and Salt Lake City, or a part of the way by ocean trip. No journey of equal interest in America.
