A new Evangelical church will be built in Monmouth this spring. The eastern Oregon interscholastic track meet was held on the Round-up grounds at Pendleton.

Plans have been approved for the erection of a new Methodist church in Corvallis to cost \$100,000.

Statewide reports on frost damage has led to the hope that the loss was not as great as had been feared.

Ranchers along the Columbia river are planting far back from the river's edge this spring in anticipation of another flood.

Fines aggregating \$3245.10 were collected in various parts of the state in April as a result of the activities of state traffic officers.

Nearly twice as much squirrel poison has been distributed among farmers this year as was used last year in Linn county. A. C. Heyman, county agent, reports.

Preliminary plans are complete for the opening of the eastern Oregon branch of the state normal for a summer school in Pendleton, the dates of which are June 19 to July 28.

The cost of printing and mailing the so-called voters' pamphlets for the primary election aggregated \$11,500, according to a report prepared by Sam Koser, secretary of state.

Just as fast as the snow recedes in the mountains road work is being started in the Deschutes national forest, which has a \$20,000 program mapped out for the spring and summer.

Thirty-five cents a pound was paid for wool at Klamath Falls, setting the high mark for the season. Approximately 250,000 pounds of Klamath county wool has been sold in the past ten days.

The first pier of the "Bridge of the Gods," at Cascade Locks, which is under construction by the Young-McDonald company of Portland, has been completed and the second pier will be begun soon.

There are bright prospects that congress will at an early date authorize the improvement of the port of Umpqua, according to W. P. Jewett of Eugene, who has arrived home from Washington, D. C.

More than 17 tons of T. N. T. will be used on forest road work this summer. It is announced. Nineteen thousand four hundred pounds will be used on the Deschutes forest, 14,000 on the Ochoco and 2000 on the Fremont.

The state highway commission at a meeting in Portland awarded 26.88 miles of road work, amounting to \$261,237. The commission referred to the engineer offers for 13.26 miles, the low bids for which aggregated \$297,511.

Construction of the Roosevelt highway between Hebo, in Tillamook county, and Siletz, in Lincoln county, which will cost practically half a million dollars, was one of the agreements of the state highway commission at a meeting in Portland.

The raising of sugar beets to supply the Utah-Idaho Sugar company is an experiment which will be tried at Stanfield in the hope that the beets, which thrive best in rather heavy irrigated soil and which resist alkali, can be grown successfully.

The Oregon Memorial Annual, published by the state superintendent of public instruction and containing a suggested program for the day, rules of flag etiquette and selections to be used in observing the occasions, is being sent to all schools in the state.

Definite advice that the public service commission will tolerate no longer delay on the improvement of the Southern Pacific depot at Oregon City as ordered last September was forwarded to the company by Fred G. Buchtel, representing the commission.

Portland's 1922 Rose Festival will be held June 20, 21, 22 and 23. The new dates were chosen because the lateness of the season would not permit that luxuriance of bloom so essential to a successful festival in time for the dates originally set, June 7, 8 and 9.

There was one fatality in Oregon due to industrial accidents in the week ending May 11, according to a report issued by the state industrial accident commission. The victim was J. P. Adams, timber worker of Myrtle Point. A total of 420 accidents were reported to the commission.

Activities of officials of Oregon and of the city of Portland, coupled with the work of the White Cross chapter and Oregon Narcotic Control association, were praised by Harry D. Smith, in charge of the federal narcotic squads on the Pacific coast. Activities of the officials and citizens have already done much in cutting down the business of the drug peddler and have driven several of them away. Smith told Gov. Ben W. Olcott and Mayor George L. Baker in a conference.

**THE NATURAL BRIDGES OF
UTAH**

Forty-five miles north of Bluff in southwestern Utah, within a space of about five miles, are three natural bridges which are understood to be the largest of their kind in existence.

Named Sipapu (Gate of Heaven), Kachima (Guardian Spirit) and Own chomo (Rock Mound), these bridges were discovered in 1895. The three constitute a National monument, being so proclaimed by Presidential announcement in 1908.

The largest of the three has an extreme height of 222 feet and is 65 feet thick at the top of the arch, which is 28 feet wide. It has a span of 261 feet, the height of the span being 157 feet.

One has but to fix those figures in his mind to gain a fair idea of the immensity of these wonders which Nature fashioned from the lofty walls of White canyon.

Near the monument are some caves and ruins which are believed to have been the homes of a prehistoric race which inhabited this section.

These bridges are best reached by stage or team from the railroad station at Thompson, Utah, to Monticello, thence by pack-horse—a journey through a strange, deserted-looking, but interesting land.

FOR REPRESENTATIVE

I hereby announce myself as a candidate for the office of Joint Representative of Umatilla and Morrow Counties, on the Republican ticket. If elected, I promise to faithfully and honestly perform the duties of the office, working at all times for the best interests of the people of this district and the State of Oregon.

I favor legislation tending to eliminate waste in public expenditures and reduction of the taxes where over possible, consistent with sound public policy.

SLOGAN: Constructive economy, and a fairer distribution of the tax burden.

adv. E. M. Hulden.

ASK ABOUT UMATILLA RAPIDS

A request from the Seattle chamber of Commerce for detailed information about the proposed Umatilla Rapids project for the production of power and as a developer of arid land by irrigation has been received by the Pendleton Commercial association. The Seattle organization has adopted a broad policy in favor of all feasible power and irrigation projects, according to the letter and wishes to be informed on the possibilities of the Umatilla Rapids project.

Mrs. Warner spent the day at the Earl Cramer home Tuesday enjoying a delightful dinner and a pleasant visit.
