Honoring Our Yankee Heroes

President Harding and former President Woodrow Wilson were the principals in impressive Armistice Day activities at Washington, D. C. In simple ceremony Pres. Harding visited the grave of America's Unknown Soldier, to place a huge floral wreath, as shown in the upper picture.

Former President Wilson broke his long silence when more than 3,000 admirers marched to his home in Washington to pay tribute. His tribute was to our soldier boys who made the supreme sacrifice.

Only Woman Elected in U. S.

Mrs. Winifred Mason Huck, daughter of late Congressman Mason of Illinois, was the only one of many women candidates elected to national office in the recent election. She goes to Congress to fill out her father's term. Photo is of Mrs. Huck and her family.

WHERE the sun shines most of the time. Out-of-door life all the time.

Thousands of miles of paved highways through picturesque semi-tropic settings make motoring wonderfully exhilarating.

Most attractive ocean beaches on the Pacific Coast.

Most complete system of hotels, apartment houses, cottages, bungalows and small suites for tourists of any country in the world, and all costs reasonable. Room for everybody.

Representatives of the

UNION PACIFIC SYSTEM

will gladly furnish instructive and beautifully illustrated booklets giving complete information about the glorious playground of the West. Let them tell all about hotel rates, railroad fares, through car service, the famous Circle Tour through San Francisco and Salt Lake City, or a part of the way by ocean trip. No journey of equal interest in America.

Heiress True to Boy Sweetheart

And after everything was said and done it happened just as it always does in the story book, and Della is going to marry Lester in the spring and be happy ever after. When Mrs. John G. Gates died she left the enormous Gates fortune of \$38,000,000 to Della Angell, who was just a sweet little girl in St. Charles, Ill. Della's father, R. F. Angell, was made administrator.

While Della was in school at St. Charles she had a sweetheart whose name was Lester Norris. Money or no money, Lester was wild about her, but Papa Angell said Della must have her chance. So he took her away and she saw many wonderful people, and several times it was said she had become engaged to some notable or other.

But Lester knew the girl behind the veil and Della knew and when she had met everybody and learned a lot about men she was certain she was right in the first place and there never could be anybody but Lester whose father is the village undertaker. Now Della is 20 and her engagement to Lester announced. Photo shows Miss Della and her fiancée, Lester Norris, 21, budding artist.

When in Pendleton over night, stop at the Hotel Dorion. 10-13

Production of the Jantzen swim ming suits will be doubled the first of the new year through the installation of new machinery, according to plans announced by the Associated Industries of Oregon. During the first ten months of this year more orders were booked for products of the mills than during all of last year. Forty-four salesmen are in the field. The shipping of next season's orders will begin in December when the first allotment will be sent to southern states.

The first steam railroad locomotives built on the Pacific coast have just been turned out of the shops of the Willamette Iron and Steel company whose "Willamette" engines are known everywhere in the logging world.

You will find Hotel Dorion, Pendleton, homelike, and rates reasonable. 10-13
