tained friends from Hay Creek this

nesday for Wasco and from there to

Catherine, of Fairmont, Minn., ar-  
rived Saturday for a visit with her  
parents, Mr. and Mrs. O. H. Warner.  
Her husband will come later.

The ladies aid met Wednesday at  
the church. An ice cream social  
was planned to raise funds for the  
treasury which is rather badly de-  
pleted at present.

week for their home in New Plym-

short trip to Boardman Saturday,  
driving down in a Ford and return-  
ing the same evening to Pilot Rock,  
where they are spending the summer.

G. L. Moss, the new barber of  
Umatilla, has opened a shop in

Tuesday and Friday to attend to  
your tonsorial needs. The shop is  
in the rear of the pool room.

A traveling vaudeville show stop-

creditable performance in the school  
house and furnished music for a

number of other improvements. Mr.  
Warner took Mr. and Mrs. Lamley  
over to Grandview, Wash., where the  
Lamleys visited a sister of the for-  
mer for a few days.

Surely the editor must have been  
away on a jaunt last week, judging  
by the misprints in the Mirror. Did  
you notice that Mrs. Jack Gorham  
entertained a "stag party" for her  
sister and cousin? Needless to state  
it was the wives who were present  
and instead of a "beautiful dinner  
at the church it was a "bountiful"  
dinner. We could mention a few  
more but out of our kindness of  
heart we shall desist.

Chas. Atterbury and Delbert Car-  
penter, two Boardman boys, had a  
narrow escape from a serious ac-  
cident last Sunday when their Ford  
turned over a few miles north of  
Ione. Chas. Atterbury driving lost  
control of the wheel, the car climb-  
ing a steep cliff, then rolled back  
to the road bed. The boys were  
driving about twenty miles an hour.  
The slow rate of speed and the top  
of the car saving them from possible  
injury. Both boys are graduates of  
the Boardman class of '23.

Drainage in experimental fields at  
O. A. C. has doubled the crop yield.  
Before drainage on some lands the  
yield was so small that profit was  
uncertain. The larger crop obtained  
after drainage has made good  
profits.
