Kane, Falls City.-The profitability of full-time health officer, is to be called tric lines operated out of Portland by gooseberry culture on a considerable before the chamber of commerce di- the Southern Pacific company will be scale has been demonstrated by Will rectors and asked to explain a radio taken off their run beginning Sunday, block front on the west side of Am- through the British lines on Long has about two acres of the fruit in it is said, made uncomplimentary re- each, have for years served two disand county.

Portland, - Twenty - three million growers' association in Portland as a of the National Woolgrowers' association at Salt Lake, E. N. Weinbaum manager of the agricultural department of the chamber of commerce, an-

The 3,000,000 pounds that consti tute the annual clip of Oregon wool already is handled by the co-operative association here. The action at Salt Lake means that the marketing as sociation will handle a total of 26,000, resentative Johnson introduced their 000 pounds a year, and that Portland will surpass Boston as a wool market. if favorable freight rates can be ob-

Chehalis.-Percy L. Sinclair, state county superior court here to 18 months to three years in the penitentiary for making a false official report of the Southwestern Washington bank city, which Seattle doesn't take very at Ilwaco, of which he was president. Judge W. A. Reynolds, before passing sentence, denied a motion for a retrial of a jury verdict of January 12, convicting Senator Sinclair on a

> change of venue from Pacific county. "You are now past 60 years of age," said the court, "and have not many more years over your head. It is the view of the court quite punishment enough, so far as you are concerned. that you were convicted at all. But public policy requires that a penalty should be imposed."

Sinclair wept as sentence was imtaken as the matter must be referred posed, his attorneys comforting him. No appeal will be taken and Sinclair

#### Growers Plan Change.

Salem.-It is estimated that approximately 500 fresh fruit growers will own stamp. be out of the Oregon Growers' Co-operative association when the present contracts expire in 1925. At the expiration of these contracts the association will go on a strictly dried fruit

The chief centers of these growers are Salem, Hubbard, Canby, Newberg, Estacada and Sheridan.

In all of these areas there is an inclination to retain organization in for the state convention of women's district is said to favor steps leading

### Fair Body Has Election.

Seattle.-T. S. Griffith of Spokane was elected president of the North Pacific Fair association at the closing session of the two-day annual meeting here, succeeding Nels Nelson of Vic-

Bowes, county commissioner of Grays Forbes Magazine. Harbor, vice-president and R. C. Brone of Portland, the latter being renamed.

The session was mostly devoted to formulating new rules governing horse racing at northwest fairs this веавоп.

### Wool Growers Meet.

Yakima.-About 200 wool growers ong period of years. Delegates of from all sections of the state of Washthe federated tribes will proceed to ington met here last week for the an-Washington and endeavor to obtain hual convention of the state wool consent of the department of Indian growers' association, over which J. T. Drumheller of Walla Walla presided.

The address of Frank J. Hagenbarth, vill oppose the plan, contending that president of the national association, the present government plan of block was the main feature of the morning sales is to the best interest of Klam | session. He urged the wool growers to work for a downward revision of grazing fees and freight rates. Mr. Hagenbarth was the guest of the Yakima commercial club at a public luncheon.

### Railways Accept Plan.

Tacoma. - Definite announcement ed a small increase, according to a that Tacoma's long contemplated belt livestock report issued here by G. S. line railroad is to be a reality, and other cattle remained about the same, Northern Pacific to enter into an er's convenience. the report says, with horses and mules agreement with the city of Tacoma for the operation of a terminal line, Total values of livestock in the the three great transcontinental railtate on January 1 of this year were roads, Great Northern, Northern Pa- may in some cases contain as low as claced at \$53,142,000, as compared cific and Chicago, Milwaukee & St. 1 per cent of the number of bacteria with \$50,430,000 on January 1, 1923. Paul, operating through Tacoma, have present in the water. all accepted the city's proposal.

### Electric Trains Discontinued.

Four Sunday trains on the red elecblock front on the west side of Amsterdam avenue, between Eighty-ninth sterdam avenue, between Eighty-ninth and Ninetieth streets and extending half the block to Broadway. Mr. Brown bought the property a year ago from Robert E. Dowling, who acquired it from Vincent Astor.

Island. Vincent Astor improved the Broadway frontage with the huge has about two acres of the fruit in bearing, and harvested over eight tons have for years served two distance. It is said, made uncomplimentary restricts near Portland settled by commarks about Walla Walla's typhoid fever cases, infant death rate and muters who live there and have their business in this city. It is apparent business that competition of the business are causes of the fruit in the biggest, most perfectly equipped and there are the business training form the business of of the train cancellations.

#### Advises Young Mothers

Portland, Oreg.-"It surely is a pleasurable duty to recommend Dr. Pierce's Favorite Prescription to for I found in this medicine a wonderful help during expectancy and afterward. I was physically frail and feared the consequence of motherhood, but I gained in physical strength. The tonic effect of the strength. The tonic effect of the 'Favorite Prescription', together with the 'Golden Medical Discovery', overcame the general weakness I had. Nature was greatly helped thru expectancy and I shall always have a good word for Dr. Pierce's medicines, because they have been so much help to me, just at the time I most needed strength."—Mrs. Wm. Bradley, 545 Albina Ave.
Write Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for free medical advice or send 10c for trial pkg. of any of his medicines.

#### "Big Cities" in 1790.

In 1790 New York city was the largest city in the Union. Its population was 49,401. Other cities having a population of over 5,000 were Baltimore, Boston, Charleston (S. C.), Philadelphia, Providence (R. I.) and Salem

#### Home-Grown Orange Blossom.

At a wedding at Baildon, near Bradford, England, the orange blossom carried by the bride and worn on her gown was taken from a pip of the first orange eaten by her as a child.

Ancient Jewish Coinage. The first allusion to Jewish coinage s found in the Apocrypha in I Maccabees, 15, where it is related that Simon, the high priest, was granted permission to coin money bearing his

Guitar Strings. The guitar has six strings. Three are of gut, and three of silk spun over with silver wire. Ancient instruments often had ten or twelve strings, but these are not made now.

### Brewing Trouble.

Fable: Once upon a time there was married lady, who never liked to give advice to her husband as to how Vancouver.—The fixing of the date some form and sentiment in the Salem to drive their car.—Detroit Free Press.

### Hybridizing Plants Old Idea.

The practice of hybridizing to produce new varieties of plants was first used in Europe by the Romans, who bred races of roses by its means.
