Keep Hen Contented

Farm land that has been overworked can be fertilized and made productive again, but the poor old hen cannot be rejuvenated and made to produce the necessary number of eggs to make her a payer. She is sentenced to the boiling pot. This being true, why not give her the best there is while she is in active service? She is certainly entitled to all the attention and good treatment it is possible to bestow upon her. Make her lot a con-*******************
