Mrs. A. T. Hercim, Local Editor.

PUBLISHED EVERY FRIDAY

\$2.00 PER YEAR IN ADVANCE.

Entered as second-class matter Feb 11, 1921, at the postoffice at Boardman, Ore., under act of Mar. 3, 1879

Mrs. Irene Sprague left Friday for Heppner where she will visit a short time before going to Portland. Miss Ethel Broyles is in charge of the service station temporarily.

Royal Randa is working on the highway near Pendleton. He is staying with friends in Pendleton.

Some laughable errors are made in the Mirror at times but when the printer read our 16 as 76 gallons of huckleberries that the Maccombers picked on their vacation trip we had to smile.

Jack Gorham is having his vacation from the Boardman Trading Co. store.

FOR SALE—3 registered Hampshire ram lambs; 16 Duroc Jersey pigs 9 weeks old; 8 Jersey heifers; 10 geese; also have 3 yearling rams for sale or will exchange these for young ewes.  
C. C. CALKINS,  
(East End)

Dell Olds and family of Grass Valley were recent visitors at the E. K. Mulkey home. Mr. Olds has purchased Mr. Mulkey's fine herd of Jersey cows and expects to have them shipped to his ranch at Grass Valley the fore part of next week.

The engagement of Miss Louise Klages of Boardman to Harvey Huff of Dufur has been announced, their marriage to take place this fall. On Friday, August 29 Mrs. Nick Gaglia will be hostess at a miscellaneous shower honoring Miss Klages. Mr. Huff was a Boardman resident last winter, having had a repair shop in the Mack building until early spring, when he returned to Dufur. Mrs. Gaglia is extending a general invitation to everyone Friday, August 29.

C. G. Blayden's are enjoying a visit from their son, Louie Blayden, and wife of Payette, Idaho, who motored here Tuesday. They are also visiting at the Gorham home.

Miss Opal Clark, the democratic nominee for county school superintendent, was a Boardman visitor on Wednesday.

Boardman was shocked to receive the news of Baird Patterson's tragic death at Heppner Monday afternoon. Mr. Patterson has been in charge of the garage here for some months and was universally liked. It seems that he was trying out the speed of a "bug" at Heppner on Monday and "Chuck" Bell, a brother of Mrs. Latourelle, was timing him. He had attained a speed of something over 80 miles when something happened—either a front tire blew out or came off—at any rate the car rolled over an embankment and turned over four times, going into a barbed wire fence. He was killed almost instantly, his back having been broken, both arms, one leg and his skull crushed. It was a tragic death, especially as he was just on the threshold of manhood, being only 20 years of age. He leaves a young wife, who was Dorothy Hill of Heppner before their marriage. She is prostrated over his death and has been unconscious much of the time. Baird was the son of Judge and Mrs. Patterson of Heppner. His father is in the east taking medical treatments. His brother, "Pat" was in the garage with Baird for awhile and is well known here. The deepest sympathy of the entire community is extended to the bereaved family at his time.

The Highway Inn is undergoing a coat of kalsomine and paint inside.

Louise Klages returned Sunday from Dufur, where she has been since May.

Mrs. Gaines and daughter, Hazel, of Portland motored up Tuesday for a visit at the Ellis Garrett home.

"Pat" Patterson took the Love family and Mrs. Kosar and son to Adams Saturday, bringing Oscar Kosar back with him.

"Hi" Hoffman, who has been working on the highway, is home again.

Mrs. W. H. Mefford spent the day Tuesday at the Ellis Garrett home.

Jack Gorham is now the owner of "Smithy's" Ford sedan.

D. E. Wilson, who has been signal maintainer since Mr. Albright left, has gone to The Dalles to make his home. Mr. Swires is on relief until another man is secured for the place.

Lee Mead is taking his vacation from his duties as telegraph operator at Messner. He plans to go east, possibly taking Paul with him. If so Mrs. Mead and the other children will go to The Dalles until he returns. Lyle Purdin of The Dalles is relieving him.

The re-ballasting of the O-W tracks will be completed about Aug. 18. This work started at Quinton and will be completed at Messner.

Bob Smith will have his vacation soon. The family plans to go to Seaside for a while and possibly to California, altho their plans are not complete as yet.

Mrs. Jack Gorham was hostess at a delicious chicken dinner Thursday at which Mrs. A. T. Hercim and children were the guests. Jack went to Ion that day.

N. A. Macomber returned Wednesday from a two-weeks' vacation at Hot Rock and in the mountains. Mrs. Macomber and Sybil Grace remained for a longer visit.

Jack Gorham and family motored to Ione that day.

Bianche Inus is visiting at the Ray Brown's.

George W. Riddle, for three years commandant of the old soldiers' home at Roseburg, was removed from his position at a special meeting of the state board of control. William M. Hendershott of Portland was elected by the board to succeed Judge Riddle.

Fines assessed in cases resulting from the activities of the state prohibition department during the six months ending July 1, 1924, aggregated \$77,607.49, while the expenses of conducting the department were \$15,451.37, according to a report prepared by George L. Cleaver, state prohibition director.

Directors of the Oregon Growers' Co-operative association have agreed to allow the Northwest Prune Exchange to use the trade name "Midland" on its products. The trade label was adopted by the Oregon growers' association several years ago, and large quantities of fruit have been sold under this brand.

Protests against the proposal of the state forestry department to close the timbered districts to hunters because of unfavorable fire conditions are coming in. The protests are based on newspaper reports that the state board of forestry had been called to meet in Salem Friday to consider postponement of the opening date of the deer season.

Gravel has been laid on part of the seven-mile unit of the Roosevelt highway between Glasgow and Hauser. The grading for the entire distance is nearly finished. When this unit of the highway is finished there will be a continuous hard surface over the Roosevelt highway from Hauser to Corbin, Curry county, a distance of 83 miles.

Will H. Moore, state insurance commissioner, has prepared a public letter urging all persons having dealings with real estate agents to keep copies of any agreements they make for the purchase or sale of property. This procedure, Mr. Moore said, would aid his department materially in bringing unscrupulous real estate dealers to justice.

**Washington Land Sale Bids Low.**  
Olympia, Wash. — Returns on the state land sale held in the various counties on Tuesday, July 1, showed it to have been the smallest in point of proceeds for the past several years. Sales totaled only \$87,090 of lands offered, with appraised valuations of \$287,824. The greatest part of the proceeds were derived from timber, which brought in \$73,870. Of the uplands, sales were only \$9326, while tidelands brought in \$3894.07.

Because water in the North Umpqua is so low that the fish cannot get over the dam and fish ladder at Winchester, the Roseburg Rod and Gun club has obtained an order from the state fish commission stationing a man with a dip net at the dam to transfer summer steelheads and salmon trout from the shallow water below the obstruction to the deeper water above.

Indians of the Klamath reservation in Oregon will receive a total of \$6,000,000 as a result of four sales by the department of the interior in the last few months of ripe timber on the Trout creek, Squaw flat, North Marsh and Long Prairie units of that reservation. The contracts include approximately 1,000,000,000 feet of timber, for which the Indians are to receive exceptive prices obtained through competitive bidding.

**FURTHER PROBE OF GASOLINE SITUATION**

Washington, D. C.—Attorney-General Stone has ordered a further inquiry into the gasoline price situation. The report of the federal trade commission on the subject, made at the request of the president, contains information, Mr. Stone said, which warrants further investigation of the several phases of the problem.

**Why We Sell Kelly-Springfield Tires**

Kelly-Springfields are among the oldest and best known tires on the market.

They have always had a reputation for giving exceptional mileage and remarkable service.

The Kelly tires of today are the finest that Kelly has ever built. They are stronger, sturdier, will stand more punishment and give more mileage than the tires upon which Kelly reputation was built.

They used to be a little higher priced than other tires, but now reduced prices are in effect, on account of larger factory facilities and hence the costs no more than other tires which have never borne the Kelly reputation.

We sell Kelly-Springfield tires because we believe they will give our customers the most mileage and the best service at lowest cost.

If you will come in and refer to this advertisement, we will make you a discount to introduce the Kelly tires.
