BOARDMAN LOCALS

Mr. and Mrs. Dan Ransier went to Hermiston Monday.

J. T. Healey and wife motored to Umatilla Wednesday.

Mr. and Mrs. Leo Root and sons motored to The Dalles Saturday.

The Sheep club members spent Friday in Hermiston judging sheep.

The O-W. is building a fence around the back yard at the railway station.

W. A. Price is enjoying a visit from his parents, who came here recently.

Col. Callahan left Monday for Sacramento, Cal., where he will spend the winter.

Mrs. Richard Dingman left recently for Chicago, where she will visit her daughter.

Fred Graham and family left Sunday for La Grande, where they will make their home.

Mrs. Jack Gorham and Mrs. C. G. Blayden were guests at the Rands home Wednesday.

J. C. Ballenger and wife returned Thursday from a trip to Eugene, Salem and other points.

Tuesday W. A. Price and wife went to Hot Lake, Ore., where Mrs. Price will take treatments for a time.

The Klages family were dinner guests at the Rands home Sunday.

Mrs. Packard is on the sick list this week.

R. V. Crawford of Woodland, Wn., has taken charge of the Latourelle garage for the winter. Chuck Bell has returned to Heppner.

Frank Cramer has built an addition to the house in which he lives. He plans to remove it to Mrs. Gibson's adjoining, farther south.

Mrs. Joyce Willis has moved into the housekeeping rooms at Gorham's, recently vacated by the Inus girls. Mrs. Willis has been boarding at the Blayden home.

Mrs. John Jenkins is giving a shower at her home on Friday, Oct. 17, for Wahnona (Rands) Howell. Everybody invited. She will be assisted by Mrs. M. E. Hiatt.

On Sunday the Warrens took Mrs. Crandall to Wells Springs, which is a place of historic interest in Oregon history. The D.A.R.'s are contemplating placing a marker there.

Mrs. Crandall of The Dalles, who is an ardent D.A.R. worker, visited at the Harry Warren home Saturday night and Sunday. She, with Miss Lang of The Dalles, was sent to Washington, D. C., last spring by the D.A.R. of Oregon.

Mr. Dillon and Mr. Knauff are planning to build large substantial chicken houses this fall. Both these progressive farmers are going into the poultry business on quite a large scale. If a poultry ranch pays well in Petaluma, Cal., why shouldn't it pay in Boardman?

Sam Shell is recuperating from a sick spell. He has been under the weather since the auto accident some time ago, when the car driven by Mr. Spence, state market agent, collided with a Ford, driven by three young men of Portland. All were bruised and cut. This happened just below the overhead bridge.

Mr. L. H. Carpenter died at The Dalles hospital Thursday, October 9, where he has been the past week and a half of heart trouble. The A.O.U.W. will take charge of the body, which will be shipped back to Florence, Kansas, for interment. His son Glen and grandson Delbert have been with him, but returned to this city Thursday morning. On their arrival here a message awaited them, telling of Mr. Carpenter's death. He has lived on the project about six years, having a ranch on the west end.

PENDLETON DENTIST MANAGER OF EASTERN OREGON CLINIC

Announcement has been made by Dr. David B. Hill of the formation of a dental clinic, the first ever operated in eastern Oregon, which will be known as the Hill Dental Clinic. The equipment will consist of three operating rooms, an x-ray room, dark room, laboratory, business office and nurses' room.

Dr. Hill is a graduate of the University of Denver, and holds special diplomas from Northwestern at Chicago and the Royal College of Dental Surgery at Toronto, Canada. Good dentistry has become such an important factor in health that it is imperative that its costs be brought down to a figure where all people may take advantage of it. This is what Hill clinic will do, Dr. Hill said.

FOR COUNTY COMMISSIONER

I hereby announce myself as an independent republican candidate for the office of County Commissioner for the four-year term. Should I be elected, I promise to give strict attention to the duties of the office and shall at all times endeavor, to the best of my ability, to serve the interests of the entire county. I solicit your support at the November election.

NO TIME FOR KISSING

Their boat was drifting idly, the sun shone brightly, and the sea was serene, while she was sitting snugly. Then he proposed.

From the opposite end of the craft she gazed at him, calmly. Then she said:

"As a matter of common sense, realizing that we are in this boat, on water more than 50 feet deep, and that if you were to act as you should act if I accepted you, we would be coped. I will decline your proposal at the moment,—but, George, row as fast as you can to the shore and ask me again."

George Agee returned recently from Bend, where he visited his sister. He went on to Ontario, Ore., where he will be on the blade.

Ted Deggendoerfer of Kellogg, Idaho, came Friday to visit his wife, who is a teacher in the local school. He left Wednesday night for his home.

Mrs. Edith Crawford and Mrs. Harry Warren attended a D. A. R. meeting at Pendleton Tuesday. Mr. Warren took them up in his car, returning the same night.

Mr. and Mrs. Tom Smith came Friday to visit the Dan Ransier home. The Smiths' home is near Kansas City, Mo. Mrs. Ransier's mother also came Friday from Adams.

Zenith Logan and wife have moved on the John Brice place. They have been living on Jack Gorham's place the past two years. Mr. Inus and family, who purchased the ranch, moved in last week from his home on the wheat ranch.

C. G. Blayden and wife were surprised Sunday evening when Mrs. Anna Blayden, a sister-in-law of Mr. Blayden's, and her sister, Mrs. Will Thompson, her husband, and son Glen, came in unexpectedly from Corvallis. They are on their way to Payette, Idaho.

One of the pleasant social affairs of the week was the stork shower, honoring Mrs. George Partlow, given Friday at the D. Ransier home. Forty-three guests were present and enjoyed watching guests open the numerous packages. A most delicious lunch was served by the hostess, assisted by Mrs. Craghton of British Columbia, and Mrs. Helen Prest, also of British Columbia, the latter a sister of Mrs. George Partlow and the former Mr. Partlow's mother, who, with her husband, is here visiting.

The much talked of ladies' aid play, "Miss Molly," is to be given October 24. This will be the best yet, according to all reports. An excellent cast has been selected, all tried and true, and a splendid play is anticipated. Miss Molly will please all. The parts of cross Mr. Peters and his sister are both well taken and saucy Cissie Saunders will make a hit. The real Lady Elusia takes her part with an air of superiority and dignity. Julian Hewitt's part is being played by one of the stars of a high school play, given two or three years ago. Keep the date in mind, October 24. Some good specialties will be given between acts.

Boardman Utellem

FOURTH YEAR EDITED BY BOARDMAN HIGH SCHOOL

The girls of the domestic science class are working on dresses of cotton material, most of which are nearly completed. The next problem will be remodeling a wool dress.

The high school sewing class is decorating the sweaters of our football team with numbers.

A neat box, in which to put school news and accessible only to the school editor, is under construction in the manual training department. It will be placed in the main hall near the bulletin board. The high school manual training class has also built lockers to hold the equipment of the fast and strong football team.

Nearly 12 or 13 boys turn out to football practice every Monday and Wednesday evening.

Everyone should come to see the Boardman team defeat Umatilla next Friday. We have a good team this year, which held the last year champions of the upper Columbia league down to a low score of 0 to 6 on last Saturday.

Percy Bleakman has returned to school after a few days absence at work on the farm.

The high school girls and several of the eighth grade girls are practicing, under the supervision of Miss Aldrich and Mrs. J. O. Russell, for an opera called "The Feast of the Red Corn," to be given in the school auditorium on November 14.

The football team is taking football far more seriously since its wonderful showing against the Lexington team last Saturday. Every member is showing more pep and interest in his work. The student body has provided excellent equipment in every detail, and in this way it has more than done its share. All that is lacking is that 100 per cent of support be given by the school and the citizens of Boardman. Come on folks, and do your part; be at every game and root for the boys.

TELL IT TO THE MARINES

The wife and daughter of Lieutenant try of the Great Lakes naval training station, approaching a gate to the station were halted by a sentry on duty there who had orders to allow no one to enter by that gate. "Sorry, but you'll have to go around to the main gate." "Oh, but we're the Berrys." "Lady, I don't care if you're the cat's meow, you can't go through this gate."

Rider at Hermiston sells furniture, stoves, and all kinds of second-hand goods cheap. 6-20

SEVENTH-EIGHTH GRADE

The eighth grade civics class has taken up the problem of Elements of Community Welfare, and are busy at work applying it to our own community. Boardman has been mapped and various suggestions have been offered for improvement. They, as the future citizens, hope to have a model city.

The seventh grade is glad to welcome their former school-fellow, Arthur Shaeffer, who has been attending school in Portland for the past year.

Leon Crawford from Washington has entered the Boardman school as a sixth grader.

Mrs. Edith B. Crawford, who is leaving Boardman soon, has made some valuable gifts to the Boardman community school. One of the gifts is a nice collection of mineral rocks and fossiliferous specimens of unusual interest. Another gift comprises a selection of books for classroom use in the grades, as well as a special addition to the school community library. There are over 50 volumes in all.

The following data may be gleaned from the first monthly school report to the county school superintendent:

Grade	Boys	Girls	Total
1	7	11	18
2	7	3	10
3	7	6	13
4	6	8	14
5	6	3	9
6	5	5	10
7	4	2	6
8	3	5	8
Total for the grade school			88
Freshman class	7	9	16
Sophomore class	6	5	11
Junior class	2	2	4
Senior class	7	1	8
Total for whole school			127

The grade school per cent of attendance was 97.1, the high school 97.4.

The grade school was tardy eight times, the high school thirteen times. The grade school had absent or tardy 62 times, the high school 20 times.

Parents visiting the school this month, 8.

HILL DENTAL CLINIC
PENDLETON

The Hill Clinic is conducted along the most advanced lines of dentistry, which enables patients to obtain the services of a group of dentists each doing work he is best fitted for at considerable less cost than is required under ordinary practice. Out of town patients work will be done as quickly as possible.

BRING DAIRYING WESTWARD

NINETY per cent of the annual alfalfa crop is grown west of the Mississippi River, whereas 70 per cent of the dairy cattle are east of it. Now, we must either ship this hay at high freight rates to the dairymen of the east or bring the dairy industry westward. The latter is the better policy, for a carload of hay is worth around \$87.50 less freight charges to its destination, whereas a carload of butter is worth \$10,980. Therefore, it is more profitable to have cows on your farm, to feed them on hay grown here and to market the concentrates such as butter, cheese, milk and cream.

There is no one in a community more interested in furthering its prosperity than a bank, and that is why we, here at the Standfield bank, are both ready and willing to enable you and every farmer of industry and good judgment to put dairy cows on the farm. If you are interested in livestock raising in all of its phases—breeding and feeding and production—why not attend the Pacific International Livestock Exposition at Portland this year, Nov. 1st to 8th? Here under the great roof of the amphitheatre, covering more than 10 acres, there will be over 4000 head of purebred beef and dairy cattle, sheep, goats, hogs and horses. You should not miss it!

Why We Sell Kelly-Springfield Tires

KEEP SMILING WITH KELLYS

Kelly-Springfields are among the oldest and best known tires on the market.

They have always had a reputation for giving exceptional mileage and remarkable service.

The Kelly tires of today are the finest that Kelly has ever built. They are stronger, sturdier, will stand more punishment and give more mileage than the tires upon which Kelly reputation was built.

They used to be a little higher priced than other tires, but now reduced prices are in effect, on account of larger factory facilities and hence the costs no more than other tires which have never borne the Kelly reputation.

We sell Kelly-Springfield tires because we believe they will give our customers the most mileage and the best service at lowest cost.

If you will come in and refer to this advertisement, we will make you a discount to introduce the Kelly tires.
