**Plan International "Listening In"**

Commander C. P. Edwards, left, director of radio for Canada; Capt. P. P. Eckersley, chief engineer British Broadcasting company, and Arthur H. Lynch, editor of Radio Broadcast, who are co-operating in making it possible for everyone on the North American continent to listen for European stations and for European listeners to hear stations in Canada, Cuba, Porto Rico and the United States without interference. The tests will take place November 24 to 30, inclusive. Europe will listen for America from 10 to 11 p. m. And America will listen from 11 to 12 p. m.

— FOURTH YEAR, 1924-1925 —  
FRIDAY OCTOBER 24, 1924

**Boardman Defeats Grass Valley**

The Boardman high football team defeated the Grass Valley team at that place last Saturday by a score of 24 to 6. Altho the trip was a hard one the boys returned victorious.

Up to date Boardman has lost but one game and that one to Lexington, one of the strongest teams in the league. From the comparative scores of other teams it seems that Boardman should finish among the leaders. This will be a good showing for a school of this size when pitted against schools like Hoppner, Lexington, Iona and others.

**Fossil Game Saturday**

The Boardman team is preparing for a trip to Fossil next Saturday. A good game is looked for and as usual Boardman will fight her hardest to come out a winner.

**Condon November 1**

Lets have everybody out for the next game at Boardman, one week from Saturday, November 1st, when Condon high will meet the local boys here. The game promises to be exciting as the boys are fighting for every game from now on and are casting longing eyes for a first division team in the Upper Columbia Athletic League.

**Report Cards Issued**

The report cards for the first six weeks of school were presented to the pupils last Tuesday afternoon. The students in the high school department who deserve special mention for having received high marks are as follows:

Freshman Class: Mabel Brown, 4 A's; Helen Chaffes, 3 A's and 1 B.

Sophomore Class: Marie Messenger, 3 A's and 1 B; Catherine Berger, 2 A's and 2 B's.

Junior Class: Katherine Brown, 4 A's; Ray Demossy, 3 A's and 1 C.

Senior Class: Edward McCollan, 4 A's; Earl Olson, 4 A's; Blanche Imus, 1 A and 4 B's.

Since Mrs. Crowder could not be present at Latin period on Monday, Elmo Russel took her place. Everyone had a good lesson as usual.

**Feast of Red Corn**

"The Feast of the Red Corn" an Indian operetta is to be given by the high school girls glee club on November 14. The operetta is to be directed by Miss Alice Aldrich, and Mrs. Russell will act as pianist. Mildred Lyman will take the part of the "Old Squaw" and the big chief is yet to be appointed.

Mrs. Deggendorfer's sewing class will make the costumes for the Indian characters and many other costumes and effects will be used in staging the musical show. A finished production will be given and everyone wants to get in early as seats will be at a premium. Rehearsals are going forward and much hard work is being expended by the director and caste of characters to make it a big success.

**Junior-Senior Meeting**

The Junior and Senior classes met last week to decide upon the style of rings for the class. Since either the Senior or Junior classes are too small they met and chose a high school signet ring that was satisfactory to all. The Seniors had 1925 and the Juniors '26 engraved upon the rings. Mr. Wakefield of the Lee company took the order. The classes have expressed a hope that the rings will soon be here. The rings are also to carry the initials B. H. S. and the individuals initials. The classes are planning on giving an entertainment soon to help pay for them.

**Reduce Baby Death Rate.**  
Springfield and Campbell townships of Green county, Missouri, reduced their baby death rate 42 per cent within the short space of four years.

**SHENANDOAH RETURNS TO SOUTHERN BASE**

**Big Dirigible Cruises Over Sound Cities on Her Return Trip.**

Tacoma, Wash. — The Shenandoah started back to her San Diego mooring mast after cruising over Seattle, Tacoma, Bremerton and other Puget sound cities. Leaving her Camp Lewis mooring mast at 12:10 P. M. Sunday, the huge dirigible headed north and was seen by many thousands as she passed at a low elevation over Tacoma.

Refueled and with a replenished supply of helium gas the Shenandoah was expected by her officers to reach San Diego in 30 hours from the time of her departure, unless unfavorable weather impeded her progress. Up to the last moment there was some doubt as to whether the airship would be able to visit Seattle, but the weather cleared and the giant dirigible passed over the sound city shortly after 1 o'clock.

Public interest in the airship continued until the last moment. It was estimated that between 10,000 and 15,000 were at the mast to witness the departure.

The big dirigible securely tied up to the mooring mast on the Camp Lewis reservation 10 miles south of here Saturday, safe and apparently unharmed after her long battle with the elements, which hindered her progress on her first transcontinental flight.

**EXPLOSION ON NAVY VESSEL KILLS FIVE**

**Several Are Seriously Burned In Catastrophe on Scout Cruiser Trenton.**

Norfolk, Va.—Five dead, three in a critical condition and twelve or fourteen others more or less seriously injured, comprised the casualty list resulting from an unexplained explosion in the forward twin gun mount of the new scout cruiser Trenton. The ship was engaged in target practice on the southern drill grounds off Cape Henry when the accident occurred and rushed immediately to Hampton Roads. Eight of the most severely burned were transported by tug to the naval hospital at Portsmouth, where one died and several others were thought to have little chance to recover.

A message from the Trenton received by naval officials here said the powder and shell were being hoisted into the turret at the time of the explosion and that "all safety precautions had been observed." No shot had been fired and electrical trouble was not regarded as the cause.

Ensign Drexler's was the outstanding name in the stories of heroism told by some of the men taken to the Portsmouth hospital. He was near the turret when the explosion rocked the ship, throwing men to the deck fore and aft. Rushing into the blaze, he dragged three men to safety. His face a mass of burns and his clothing in flames, he was turning back into the fiery turret when he dropped dead.

**EDUCATION VALUES ARE SET**

College Studies Declared to Be Worth \$72,000.

Boston, Mass.—The cash value of a college education to its possessor is \$72,000, according to a report made public by Dean Everett W. Lord of the Boston university college of business administration. The report is based on a long study of the earning capacity of college graduates. The cash value of a high school education is placed by the report at \$33,000.

The report gives the average maximum income of the untrained man as \$1200, that of the high school graduate as \$2200, and of the college graduate as \$6000. The total earnings of each of the three types, up to the age of 60, are placed at \$45,000, \$87,000 and \$150,000, respectively.

**Royal Trubadours Coming Nov. 11**

The first number of the lyceum selections coming to Arlington this winter will be the Royal Trubadours, a wonderfully popular entertainment by a quartet of talented musicians, and alone worth the price of the season tickets, will be presented by the boy scouts at Louy's Hall Tuesday evening November 11th. Season tickets will be on sale the coming week.

**SOCIAL ACTIVITIES OF WEEK**

**Afternoon Party**

The afternoon party on Tuesday, at which Mrs. J. R. Johnson and Mrs. H. E. Warren were joint hostesses at the former's home was one of the pleasant social affairs of the week. Mrs. Edith Crawford was the honor guest. She plans to leave shortly for Portland, and as she has been one of the most devoted members of the Aid, the party was given as a farewell and as a mark of appreciation. A short program was enjoyed with piano and violin selections, readings and songs. Mrs. Allen, president of the Aid, read a letter of Mrs. Crawford by members of the Aid. A delicious lunch was served with Mrs. Boardman pouring and Mrs. Warner and Mrs. Allen assisting. All wished Mrs. Crawford the best of everything and joined in singing "God Be With You Till We Meet Again". About 40 enjoyed the afternoon.

**Sixty Guests Attend Shower**

Wahona Rands Howell was the honor guest at a miscellaneous shower given at the Ballenger home this week. It was planned to hold the affair at the Jenkins home but owing to Mrs. Jenkins being ill plans were changed. About sixty guests were present and many beautiful and useful gifts were received. A bountiful luncheon was served. Mrs. Charles Nizer made one of her delicious fruit cakes for the bride and some of the wedding cake was also enjoyed. Mesdames Klazes, Packard and Blatt also assisted.

**EARTHQUAKE ROCKS SOUTH CAROLINA**

Spartanburg, S. C.—The Piedmont district of South Carolina was severely shaken by an earthquake. The tremors were felt in towns in Spartanburg and Greenville counties.

Thousands were aroused by the disturbance, which occurred shortly after 3:30 a. m. and continued several minutes. Window panes rattled and pictures dropped from the walls.

The center of the quake was reported between Greenville and Pickens, where the disturbances were most violent and strange rumbling sounds were heard.

Residents at Pickens thought a terrific explosion had occurred and fled from their houses terrified.

Towns which reported disturbances included Anderson, Greer, Easley, Liberty, and Union.

**Outlaw Strikers Win Jury Trials.**

Washington, D. C.—Federal courts cannot refuse jury trials in contempt cases arising out of labor disputes, the supreme court held in two cases, one coming from western Wisconsin and the other from Kentucky.
