CHRISTMAS SEAL RESULTS ARE HUGE

Scourge Fast Yielding to Health Through Work Financed by Christmas Seals. The Christmas Seal is with us again. Seven million of them have been distributed throughout the state of Oregon to be sold during the month of December to finance the "Fight Tuberculosis—Give Health" campaign. The seal, with its bold victorious figure, typifies the movement which it has financed so successfully that within the last fourteen years the death rate from tuberculosis has been cut in half in the United States. Throughout the country, one hundred thousand people are enjoying the Christmas season, who would have perished if the disease were as uncontrolled as it was a decade and a half ago.
