"Lost Battalion"

Here May 29th

Benefit Ladies Auxiliary—Picture Is Taken in the Center of Battle Here Friday May 29

The American Legion Auxiliary has arranged for the picture "The Lost Battalion," to be shown in Boardman next Friday night, May 29. This picture has been shown in all the larger places and is an epic which ought to be told and retold as one of the striking acts of heroism and endurance in the great war.

Major General Robert Alexander and Lieut. Col. Whittlesey personally appear in the film, giving it more realistic value. "The Lost Battalion" was shown to a packed house in Arlington some time ago and a number of people from Boardman attended, who vouch for the picture as one of the most gripping pictures of the war that has yet been seen.

INTERNAL TROUBLES HAMPER COAST GUARD

New York, N. Y.—Internal troubles are proving handicaps to coast guardsmen blockading New York's rum row. Six members of the coast guard have been court-martialed for smuggling liquor and three for intoxication, it is admitted.

Officers have refused to discuss the affair, but it is known that 19 men have been confined for varying periods in the county jail on Staten Island, awaiting court-martial. Six convicted of smuggling have been sentenced to six months imprisonment and three got three months each for intoxication.

A far greater handicap is the prospect of a shortage of men in the fleet. Fully 30 per cent, it is said, will not re-enlist when their service terminates July 1. Conditions on the coast guard ships call for unusually hard work and few and brief shore leaves. These are sufficient to induce the guardmen to seek other occupations.

Boardman Needs

Community Hall

Boardman Sorely in Need of a Hall for Community Activities—Committee Is Appointed.

A matter of vital importance to every person on the project is the question of building a community hall. A committee has been named with Paul Smith as chairman, representing the Modern Woodmen, John Brice of the I O O F, Nate Macomber of the Legion, Mrs. Leo Root of the Auxiliary, Mrs. Royal Rand of the R. N. of A., and W. A. Goodwin of the Grange.

A cooperative spirit will make this a success. If we have one, let's have it large enough and so arranged that it can be used for basket ball games, by the school, in lieu of a gym. We rather like the suggestion of Mr. Nizer's that it be built of rocks. It can be charmingly built of cobble stones and there would be no dearth of material. From a financial standpoint, we are not qualified to state the merits of the plan.

Legion Auxiliary Picnic

The American Legion and Auxiliary gave their annual picnic Saturday evening, May 16, at the Tom Hendrick's Camp.

There was such a large acreage of alfalfa killed that it was feared the overhead would be too great. The association has seemingly had a hard struggle, but cooperative marketing is the farmers only salvation, and the principle on which the association is founded is correct, and eventually things will work out all right in spite of the numerous vicissitudes. A number of local men attended the meeting.

Party Success

One of the numerous pleasant social affairs of this week was the party given for Caroline Hunt on Saturday evening at the Warner home.
