**NAVY HEAD MAKES STIRRING SPEECH**

(By the United Press)

SAN FRANCISCO, Sept. 2—Army Secretary, in an address before the American Bar Association here in the civic auditorium, nation’s capital, said that the United States had been rapidly making progress in the development of an efficient and powerful navy.

"We need a navy," he declared, "that will be able to cope with any naval power in the world, and we are making progress toward that end."

**SEATTLE BUILDERS STRIKE**

(By the United Press)

SEATTLE, Sept. 4—An organizing committee of building trades unions declared the Seattle building trade local on a strike yesterday, saying that a demand made by the Local 15 Building Trades Council for an increased weekly wage of $20 was refused.

The strike, which follows the refusal of the last contract made by the building trades union and the Seattle building trades council, will be supported by the Seattle building trades council.
