DOINGS OF THE VAN LOONS

Ashland Wins And Ties Weed Series

The rains of last week scared out the Ashland baseball fans and no special train was chartered for the trip to Weed Sunday. The team went, however, and won out 9-8 in another one of those see-saw games. The win puts the honors even in the Ashland-Weed series.

Sunday the Ashland bunch played under the adverse conditions, the smoothest game, as far as team work goes, of the season. Only two errors were chalked up against the Ashlanders and one against Weed. The cold day made the pitcher a little leary of themselves and heavy hitting was the feature. Ashland got fifteen hits of which one was a homer, one a triple and two doubles. Weed got thirteen hits of which one was a homer, two triples and one double.

Chief Wilson, although minus ten pounds from a week in bed following an operation, pitched the entire line innings and delivered in the inches in fine shape. He clicked out two singles and scored once.

"Daddy" Hill kicked out a triple and two singles out of four times up bringing up his batting average to .549 for the season.

Lilly got his customary home run and came near getting a second when he knocked a ball 50 feet over the fir trees at the outer boundaries but which went a few feet foul.

Frye, Pernoll and Bearss each got two and the other fellows one apiece. Ashland started the game with a bang: Frye and Tregilas grounded out. Lilly walked and scored on Pernoll's double. Pernoll scored on Hill's single. Weed failed to deliver in their half. Score 2-0.

In the second Ashland scored two and Weed three. Ashland couldn't score in the third but Weed scored two on singles by Powell, Harper and Cramer and a couple of sacrifices. Score: Weed 5, Ashland 4. Ashland tied it in the fourth.

Lilly pounded out a homer—unluckily with no one on—in the fifth Harper tied it for Weed on two singles and a long fly to center.

Neither side scored in the sixth. Ashland made one after two were gone in the seventh and Weed slipped past to a one run lead by scoring two.

With one gone in the eighth Bearss singled, Wilson followed suit and both scored. Ashland 9, Weed 8.

Weed failed to score in the eighth. Lilly walked in the ninth but was caught going to second by a near-balk on the part of Anthony. No score.

Then came the stirring ninth inning finale without which a crowd at an Ashland-Weed game would feel cheated. Powell singled. Harper walked but was put out at second when Cramer grounded to

"Gets-It" Peels Your Corns Right Off

Two Drops Will Do It Without Fuss or Trouble. Never Fails. There's only one way to get rid of a corn, and that is to peel it off as you would a banana skin. There is only one corn remover in all the world that does it that way, and that

There's No Corn "Gets-It" Will Not "Get" is "Gets-It." It is because of this fact that "Gets-It" is today the biggest seller among corn-removers on this planet. It means the end of "corn-suffering." For hard corns, soft corns, very old corns, young corns, corns between the toes and calluses, it means a quick, certain finish. "Gets-It" is applied in 2 or 3 seconds. All you need is 2 or 3 drops. As easy to do as signing your name. It does away forever with tape, plasters, bandages, knives, corn-diggers, scissors, files and blood-bringing razors. Ease your corn-pains, be corn-free at last. "Gets-It," the only sure, guaranteed, money-back corn-remover, costs but a trifle at any drug store. Mfg. by E. Lawrence & Co., Chicago, Ill. Sold in Ashland and recommended as the world's best corn remedy by McNair Bros.

Gearhart, Powell taking third. Cramer stole second. Touli pounded out a fast ground ball which Lilly picked and snapped home catching Powell in a desperate sprint for the plate. Cramer took third. Touli took second on a steal. Bullna cracked a fast one to Frye who picked it and whipped it across to first ending the agony in a most satisfactory manner.

West of Weed umpired and must be handed the palm as the best handler of the indicator in this section.

Whether or not a deciding game is played between the two speedy teams of all stars depends upon the outcome of negotiations now pending between the two managements. Weed is anxious to play it off on Yreka grounds.

They do not want to come to Ashland, stating that twice they have sent up ten or twelve automobile loads of fans while Ashland has not returned the compliment.

Rules For Rural School Janitors

The following rules are recommended for use in the rural schools of Jackson county. It is hoped that they may be the means of raising the efficiency of the janitor work to a higher standard.

- It shall be the duty of the janitor:
1. To sweep and dust the room well once each day, the dusting to be done in the morning and with a cloth.
2. To clean the blackboards each evening, or as the teacher may direct, and to empty waste-basket daily.
3. To thoroughly dust the erasers once each week.
4. To mop the floor at least twice during the school year.
5. To keep the porch and sidewalks clean.
6. To thoroughly scrub the toilet at least once each month and keep them in good condition at all times.
7. To start a fire when necessary

early enough to have the room comfortable before time for the children to assemble.

- 8. To close and fasten the doors and windows each evening.
9. To raise and lower the flag each day unless other arrangements are made by the teacher to have that done.
10. To keep the drinking fountain or other container clean and well supplied.
11. To move desks and do other small duties which do not require skilled workmanship, on the request of the teacher.

- 1. To post these rules in the school room.
2. To inspect the work of the janitor and see that it is done well.
3. To advise the janitor on work to be done.

These rules are recommended for adoption by the schools and are approved by the rural school supervisor and County School Superintendent.

ROUGH DRY WASH

Is a very popular way of doing washing among many of the housewives, your bed and table linen, towels, handkerchiefs, etc., reaching you clean and sweet all ironed ready to use, and the personal pieces all starched, where starch is needed, ready to iron. This method will cost you but 7 cents the pound, and is much more satisfactory than the WET WASH method which we find very unsatisfactory, and which we will discontinue, doing the two kinds of washing only, namely: Rough Dry and Family Finish.
