LET PROSPERITY BEGIN AT HOME

Community prosperity is, or is not, as we of the community make it. Much money will be spent around here during the coming Christmas holidays. It is right that it should be so, for every normal person likes to partake of the joys of the yule time. But where will that money go? Will the profits remain here, and continue to circulate in our midst, and enrich our local community? Or will they go to foreign houses, and be forever lost to us who have produced them by our energy and our thrift? The answer is in our own hands. Our local merchants will be well equipped for supplying our demands. The goods will be on their counters, where we can see them, judge as to their quality, and know what we get. And the name of a local dealer stands as a guarantee for everything he sells. But if we buy abroad we lose from our midst both the dealer's cost price and his profits. We never see them again. And our community is the poorer to the extent of the profits on every

The Social Realm

Pleasant Home Club
 The Pleasant Home club met at the home of Mrs. F. H. Walker, after an adjournment of several months, during which time the ladies have been too busy to attend clubs, and passed a very pleasant afternoon. No special program was prepared, so the time was spent in social converse and fancy work. The hostesses, Mesdames F. H. Walker and George Brookmiller served delicious refreshments.

Will Give Victory Dinner
 The Wednesday Afternoon Club of the Presbyterian church at their last meeting decided to postpone their Halloween party which they had announced previously, on account of so many other social engagements being held at that time. Instead they are arranging to hold a New England dinner on Armistice Day, November 11. This will be in the nature of a Victory Dinner and further arrangements will be announced later.

Embroidery Club Meets
 Mrs. F. S. Foltz was hostess yesterday afternoon to the Embroidery club which meets every Friday afternoon, and is composed of twelve intimate friends. A pleasant social time was spent by the attendants over their needlework, after which refreshments were served.

 "Style Shoes of Quality"

With shorter days and longer nights, and with the approach of Jack Frost, we feel it a duty to remind you that the oxford season is at an end and that Dame Fashion commands you to select your Fall boots.

Fortunately, although not without surmounting the difficulties arising through a scarcity of leather and other post-war conditions familiar to you, we placed our order with Utz & Dunn early. As a result we are able to offer you a splendid selection of boots at reasonable prices.

The delightful models are on the shelves and same of the styles grace the window. You will admire them, we know. These boots have every new and worthy point of style. May we have the pleasure of a call?
