FOR SALE—REAL ESTATE

AN INVESTMENT THAT CANNOT LOSE
I have a Mountain Resort Property that because of circumstances is offered for much less than has been offered for it and certainly for much less than it will sell for in the near future.

It is thirty minutes drive from Ashland. A beautiful secluded spot one mile from Highway with good private road. There are 100 acres with heavy woods on part of it and enchanting trails built to the hunting and fishing grounds and scenic view points.

A beautiful trout stream runs thru the property and a private irrigation ditch conducts abundance of water to the garden and ten acres of meadow.

There are several mineral springs famed for years as possessing unusual curative gases and chemical properties.

A splendid large barn. Good chicken houses and yards; a fair house, two cottages; a good cellar and a profusion of flowering shrubs, etc.

This place cannot help but attract lovers of mountain retreats with all the unusual adjuncts for health and pleasure.

Remember what I say. This is an investment worth looking at and it can not stand long at the price now offered.

NOTED VIOLINIST WITH SOUSA'S BAND

Florence Hardeman, the American violinist, who appears with Sousa's band in Ashland November 16, has won for herself an enviable reputation and critics have been unanimous in their praise of her artistry.

This is the second tour Miss Hardeman has made with Sousa's band, and the great leader himself says he considers here one of the leading violinists before the public today. Madame Sarah Bernhardt, with whom Miss Hardeman toured the states and Canada as assisting artist, is a most interested and enthusiastic admirer of the violinist's work.

Miss Hardeman has appeared as soloist with some of the leading symphony orchestras of the country and with the New York Glee club at Carnegie hall, the Rubinstein club at the Waldorf, the New York Criterion club, the New York Hippodrome Sunday night concerts, and with Bernhardt at the Knickerbocker. She is the proud possessor of Ole Bull's rare old Amati violin. This instrument was presented to her by Cincinnati patrons of music, who also sent her to Europe, where she studied with the famous master, Leopold Auler, in Russia.

YOUR KIDNEYS

Ashland Residents Must Learn the Importance of Keeping Them Well.

Perfect health means that every organ of the body is performing its functions properly. Perfect health cannot be enjoyed if the kidneys are weak and disordered.

Thousands testify that Doan's Kidney Pills have a reviving action on weak kidneys. Ask your neighbor! What this remedy has done in so many cases of this kind is the best proof of its merit.

Read the following. It's testimony gratefully given by a resident of this locality:

D. R. Andrus, 510 S. Fir St., Medford, Ore., says: "I was bothered considerably by my kidneys and bladder. I had trouble in retaining the kidney secretions and I also had a dull ache across my kidneys. I found good relief from Doan's Kidney Pills. My kidneys acted more regularly and I didn't have that trouble in my

THE MOST DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, have pains in the back—soak up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.
