WOBBLIES BATTLE WITH POSSE

(By the United Press)

OLYMPIA, Nov. 17 .-- The first details of the fighting about a cabin in the dense timber 23 miles northeast of Centralia on Saturday afternoon when Wobbly gunmen, who were barricaded there, repulsed an attack by a posse of Legionites and deputy sheriffs was given today by Ben King, deputy game warden and a member of the posse.

He said a posseof eight men ap-

head and probably instantly killed, being felt in many cities.

was not hurt. mainder of the posse to reach Haney gional fuel administration. but each attempt was met by a volley of shots which seemed to come ported low.

ween two large trees a hundred and route were also cancelled. fifty yards from the cabin.

SPOKANE, Nov. 17 .- Two heavy machine guns and fifty high power riot rifles have been ordered for the police department.

Police Commissioner Tilsley explained this as a precautionary measure.

The two national guard companies called out for duty last week have demobilized.

Tilsley today formally asked the preme court consented to hear on council to re-establish the rock pile November 20 cases from the New for the benefit of the Wobblies.
