 THANKSGIVING
 Are we thankful? Yes, in a thousand ways—
 For peaceful nights and wonderful days.
 We'll see but the good—we find that it pays.
 As the ugly cocoon has much beauty inside,
 So looks oft receive and much good may hide.—
 In God's perfect love only right may abide.
 Then we'll count our blessings,—
 they are many and great,—
 Say we're sailing right on in the big ship of State—
 And we'll see much good we may emulate.
 We may have had trials and troubles galore;
 Give thanks to thy God that they were no more,
 And for the faith that whispers
 "they'll soon all be o'er."
 Yes, we're thankful, more than we can express,
 For bounteous good, each one to bless,—
 And prospective world peace brings thankfulness.

The Social Realm

Thanksgiving Dance
 The Ashland Elks have issued invitations to their annual Thanksgiving ball which will be held in the hall Friday evening, November 28. This is one of the fine social events of every season and participants are looking forward to an especially charming affair this year.

Civic Club Elects Officers
 The annual meeting of the Civic club was held yesterday and the ladies who attended felt well repaid by the splendid lecture given by Mrs. M. K. Goldney. Mrs. Goldney has spent 33 years in the Argentina and she talked interestingly upon her experiences there and exhibited many curios from that country. The election of officers resulted in the election of Mrs. Otto Winter, vice-president; Mrs. Mary Willshire, secretary, and Mrs. C. B. Banta, treasurer. The election of president was held over until next meeting. The report of the treasurer and secretary was read and ordered published in the daily paper. Delicious refreshments were served and all went home delighted and confident that this was a very successful meeting.

Oregon Has Great Natural Resources
 APPROXIMATELY one-third of all the water power in the United States is within the Columbia River Basin. The water power resources of Oregon are roughly estimated to be 3,500,000 horsepower. This is a great asset. It means that Oregon will eventually become a great manufacturing center. Nature has done much. But you must do your bit. Encourage the rapid growth of Oregon industries by purchasing Oregon products.
