# NEAR EAST FUND CAMPAIGN STARTS

The big drive to carry Ashland over the top in the campaign to raise funds for the starving Armenians, in the "Near East" fund movement, was launched yesterday.

Every one is asked to contribute as substantially as possible to this cause, and it is certainly a worthy one. The money received is not wasted, by any means, and we can hardly realize what a dollar will do to sustain life and help the stricken people of the "near east."

We have a large sum to raise. The committee in charge of this campaign asks that everyone get at this movement with a will and with generous contributions.

Contributions are payable at either of the three banks in Ashland. Unless sufficient funds are voluntarily contributed it will be necessary to start canvassing, for Ashland must not fall down.

Let everyone show his sympathy and loyalty to his brother man by helping the cause along. Donate your sum TODAY. Urge others to give TODAY.

V. W. Knott of Rockford, Ill., a former chef on a Northern Pacific dining car, has purchased the White House cafe on East Main street operated by "Red" Moran. Mr. Knott has changed the name of his establishment to the "Dew Drop Inn."

**VALE**—New bank opens for business.

# The Smaller Cars—and the World's Most Popular Tires

No tires bearing the Goodyear name, not even the famous Goodyear Cords which equip the world's highest-priced cars, embody a higher relative value than do Goodyear Tires in the 30x3-, 30x3 1/2-, and 31x4-inch sizes.

In these tires owners of Ford, Chevrolet, Dort, Maxwell, and other cars taking these sizes, are afforded a measure of performance and service such as only the world's largest tire factory devoted to these sizes can supply.

All that this company's experience and methods have accomplished in these tires is available to you now at the nearest Goodyear Service Station.

Go to this Service Station Dealer for these tires and for Goodyear Heavy Tourist Tubes. He has them.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread. \$20.00  
30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread. \$17.65

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water. \$3.90 proof bag.

# GOODYEAR

Is it accidental that the majority of tourists passing through Ashland every summer specify Goodyear Tires as their first choice? We do their tire repair work and know why this decided preference for Goodyear exists everywhere.
