"WE SHOULD HAVE BOUGHT IT"

That is what a housewife said to us when she called seeking a new home to move to after getting notice that their existing place was sold.

BUT IT IS NOT YET TOO LATE

Not All the Good Bargains Are Gone. Prices remain ridiculously low in many cases, as compared with other things. The tendency is toward a rise in prices of improved places. And none that have been recently purchased could be had except at a handsome advance. Not a day passes that we do not hear of an offer to "buy your bargain." This certainly WAKES UP THE PROcrastinators.

A VERY SIGNIFICANT FACT IS THAT THERE ARE MANY PLACES WITH GOOD IMPROVEMENTS OFFERED FOR, BUT LITTLE MORE THAN ONE CAN BUY SIMILAR LAND WITH NO IMPROVEMENTS FOR.

With building costs as they are and the demand for homes continuing, rents rising and population increasing, even a Wise Blind Man would not fail to see the present GOLDEN OPPORTUNITY, and take advantage of it.

HERE ARE SOME SPECIAL BARGAINS:

No. 44—Very good 4-room house, sewer connection, chicken house, garage; large lot, good level soil, near high school, one block from pavement. With a little "dolling up" the place is a \$10 rental property. Price formerly \$700, now reduced and will take small payment down, balance easy payments at 6 per cent.

No. 56—Extra good 6-room house, stone foundation, cellar, bath, etc.; walls plastered, very convenient arrangement of interior, chicken yards and buildings for garage and chickens; extra large lot with good garden spot and abundance of all kinds of fruit and flowers. Nicely located overlooking valley but level and easy of access. Price reduced from \$1800, away down; terms at that.

No. 228—10 acres splendid apple, peach and pear orchard, none better; fine location, mile from city on highway; all fenced; good income from fruit; splendid building site. Price reduced from \$2700 to real bargain price, \$2300; easy payments at that.

No. 20—An acre nicely located near Junior high school, easy

of access, level and rich soil. Good house, modern improvements, good garage and wood house, concrete cellar, world's of fruit and flowers, cement walk, valued at \$3500, but will be sold away under that. Don't you want to look at it and get terms?

No. 107—Unusually fine house, six rooms, pantry, bath, etc.; beautiful front, stone foundation, beautiful trees, south front, affording view of Ashland canyon and Mount Ashland; wood house, etc., at back door, good large barn and garage; extra large lot 2000 feet deep, level rich soil; lot alone worth half the price will sell place for. Location one and one-half blocks from Main street, three blocks postoffice; valued at \$5000 by all builders, and property owners who have examined it but the owner is non-resident and is going to SELL at a discount of \$1500. Now, are you going to let this bargain get away from you?

No. 229—10 acres all fenced; good four-room plastered house, barn and chicken house; good well; some fruit; 5 acres alfalfa. A splendid little home reduced from \$2700 to \$2450; easy payments.

Broke Seal On Freight

RED BLUFF.—An aged man giving his name as Tom Quinn was arrested here on telegraphic dispatches from Gerber that he was wanted for breaking a seal on a car. Just as the freight was pulling out of Gerber, Railroad Officer E. J. Kirwan noticed the man break the seal and jump aboard an automobile car. The train was rapidly gaining headway and Kirwan telegraphed to W. R. Bly in this city who made the arrest when the train pulled in.

MUCH SEED CORN DAMAGED

A great deal of seed corn in western Oregon was ruined by the heavy December freeze, and all corn not thoroughly dried out or protected from the low temperature was rendered unfit for seed. All corn should be tested before used as seed, warns the farm crops department of the O. A. C. experiment station.

The Boot Shop

The Fordson

Being small, light and economical, the "FORDSON" tractor is adapted for use on small farms, as well as, on the largest. It will pull all farm implements and do the work generally done by horses on the farm. In addition, by its belt pulley the tractor will drive farm machinery, such as a threshing, hay baler, ensilage cutter, sawmill, etc., making the "FORDSON" a truly universal tractor.

In design and construction the "FORDSON" takes a long step in approaching the ideal tractor. The simplicity of its operation and construction will at once appeal to the farmer.

Call on us for a demonstration. HARRISON BROS. Fordson Tractor Dealers Ashland, Oregon
