BANDITS RAID POKER GAME

WOODLAND, Calif., June 24.—Fruit shed No. 1 of the River Farms company, near Knights Landing, mecca of the Industrial Workers of the World in the Sacramento valley, was the scene of a holdup Saturday night in which five masked and heavily armed men robbed a poker game of \$800, the details of which were kept from official notice until yesterday, because the fact that it was a gambling game that was raided.

According to Charles Fish, business man of Knights Landing, and William Putman, assistant manager of the River Farms holdings in this county, a number of the men of the ranch engaged in a game of poker Saturday night. When there was a large sum of money on the table five masked men appeared as if by magic and ordered all hands up. The entire proceeds of the game, including money in the "kitty," were taken. So far as known the bandits made their escape in an automobile. They covered their escape with drawn revolvers, some of them six shooters and several automatons.

Buys Mill Equipment

GOLD HILL, June 24.—Fabrick & Welch of Medford, have purchased the sawmill equipment of Rhodes & Cotteral at Beagle in the Gold Hill district and are removing it to Phoenix, where they operate on timber from Rogue river and the Siskiyou mountains south of Ashland.

This mill is of 20,000 feet capacity. Rhodes & Cotteral are rebuilding a mill of 40,000 feet capacity on the old site on the south fork of Evans creek. The output of both mills is pine lumber which goes to the Medford box factories.

COAL FAMINE THREATENED

(By United Press) WASHINGTON, June 24.—Unauthorized railroad strikes threaten many sections of the country with a coal famine next winter, officials of the government and National Coal association here said today. The country is 35,000,000 tons of bituminous coal behind its normal production, due to the recent "outlaw" railroad and mine strikes, according to association officials.

Says M'Adoo Only Winner

SAN FRANCISCO, June 24.—"The democratic convention will nominate McAdoo within three or four ballots," Thomas Love, national committeeman from Texas, declared upon his arrival here today. "There is no doubt McAdoo is sincere in his efforts to avoid the presidential nomination, but he is the only man the party can win with, and if he is chosen—and he surely will be—he cannot decline such a call to service, regardless of personal sacrifice. I have talked with delegates and representative democrats from various parts of the country, and the original McAdoo men are as original as ever. They will stick by him, whether his name is presented at the convention or not."

Marion, O., Drops Party Lines—Pulling for Harding

From a printer's case to the White House will be the climb of Senator Warren G. Harding, republican nominee for president, if elected. Senator Harding was born at Blooming Grove, O., November 2, 1865, and will be 55 years old this election day. His success in running a school paper resulted in his father buying a newspaper for him at Marion, O., which he still publishes—The Marion Star. He was an expert typesetter by hand and later on the linotype. His father, Dr. Geo. T. Harding, was 76 years old the day his son was nominated by the

Sinn Feins Preparing to Join Fight

DUBLIN, June 24.—Comparative quiet prevails today in Londonderry following a night of terror in which bullets from rifles and revolvers raked the streets. All the shops in the city are boarded up and citizens remained in their homes. Outbreaks of rioting in outlying districts continued, but were suppressed on the main streets. The food situation is desperate, due to the inability of the citizens to reach the shops. Rumors are current that the Sinn Feiners are massing in the northwest to join the Londonderry fighting. Hundreds of heavily armed unionists in the north are reported preparing to come here.

Yreka Gets New Mayor

YREKA.—Dr. W. W. Barham has resigned the office of mayor of Yreka, which he has filled acceptably to the citizens for 12 years. He is recognized as one of the most capable officials Yreka has had in many years. Allen Newton, a prominent business man, who has been a member of the board of city trustees nine years, has been elected mayor of Yreka to fill the vacancy caused by the resignation of Dr. Barham. He is regarded as a man of progressive ideas.

WILL INSTALL GOLD SAVER

GRANTS PASS.—To effect a greater saving in gold being taken from Bridge creek in Josephine county, an electrically operated gold saving machine is to be installed.

SCANDINAVIANS TO OBSERVE FESTIVAL STOCKHOLM, June 24.—Thousands of persons throughout Sweden, Norway and Denmark today took part in observance of Midsummer Day, a national holiday in northern European countries. There was a general cessation of work, the people attending field day events, water sports and racing.

MAKES EXCELSIOR EUGENE.—Excelsior made from balm wood is now being cut extensively for a local manufacturing plant, which has 128 men in the woods at the present time.

Claims Big Pro-M'Adoo Sentiment

(By United Press) SAN FRANCISCO, June 24.—The sentiment among the democrats is irreconcilably pro-McAdoo, declared Edward Britton, Daniels' secretary, who arrived here today.

SCOUTS WILL PATROL BEACH

HOOD RIVER.—Members of Hood River Boy Scout troops will be asked to patrol a bathing beach to be opened here soon by the Hood River Woman's club. The boys are trained in life-saving, and a team, if plans carry, will always be on the beach for the protection of swimmers in peril. The bathing beach will be located on a lake on the Columbia lowlands just north of the city. The Commercial club and Merchants' association are aiding in raising funds for improvements.

PANAMA AVERAGES 89 EARTHQUAKES A YEAR

(By United Press) ANCON, C. Z.—(By Mail).—Four hundred and twenty-nine earthquake tremors have been recorded by the seismographs of the Panama Canal since their installation, 11 years ago, according to a report issued by the chief hydrographer. This is an average of 39 per year. One hundred and thirty-six had their centres of disturbance from 11 to 200 miles from the observation station, and 125 were from 200 to 500 miles distant. None of the disturbances has caused injury to the canal, though many were plainly felt by people of the canal zone and Panama.

Linn County Clan Will Picnic The former residents of Brownsville, Ore., are planning to picnic together in the park, tomorrow afternoon. Supper will be at 6 o'clock. Each is asked to bring his own dishes as well as the eatables. There is quite a clan of Linn county folks in Medford and Ashland and they hope to have a real visit.

Charming Home Wedding A pretty little home wedding occurred yesterday at the home of Mr. H. H. Bachtel on Bush street, when Miss Donna, the youngest daughter, was united in marriage to Mr. Lester Warren of Berkeley, Calif.

The service was performed in the presence of the immediate relatives, Rev. C. F. Koehler, officiating.

At 2 o'clock, the young couple took their places under an arch of ivy and roses, in the parlor, and the beautiful ring ceremony was said which made them man and wife. The bride, who is a member of the class of 20, wore

Fuller's Paints Dickerson THE PAINT MAN

her graduation dress of white and carried white roses. She looked very fair and sweet. The groom is also a former graduate of Ashland high school, and is a young man of fine character, holding a good position in

a bank in San Francisco. Following the service and congratulations, a dainty buffet luncheon was served after which the young people left for Berkeley where they will go to house-keeping at once.

NEVER has there been a better reason for preserving your property than at the present time.

High costs of construction have greatly increased the value of homes and buildings, no matter how old they might be.

Paint—GOOD Paint, will do more to preserve and increase the value of your property than anything else you can possibly invest in. It is the greatest safeguard against the ravages of time and weather. It is the best kind of insurance.

Guard your home and buildings with FULLER Paint and other products. Back of them are 71 years of paint-making experience. Thousands of property owners have used these products for years.
