DR. JEKYLL AND MR. HYDE COMING

Robert Louis Stevenson's powerful story, "Dr. Jekyll and Mr. Hyde," has been translated to the screen with John Barrymore in the leading role...

The plot, as is well known, has as its central figure a young London physician, Dr. Jekyll, whose tenderheartedness is exceeded only by his all-absorbing interest in his chosen profession and his scientific investigations.

GREAT PUBLIC MAN SPEAKER JULY 4TH

Gerard's patriotic address at Ashland during the celebration will be the greatest treat ever offered to a Southern Oregon audience. He is absolutely the best qualified man in America for such an occasion.

He is the only living American who in official life "sat on the Kaiser." As United States ambassador at Berlin, the former justice of the New York supreme court faced the difficult problem of protecting American interests in Germany at a time when the treacherous propaganda of the former was lord was, like an octopus, reaching out its tentacles to entangle America.
