Ashland Climate

Mr. Editor:

I wish to say I have suffered with asthma for ten years. I have tried high and low altitudes; wet and dry; cold and hot, and I have tried all the advertised cures in the country. I have taken medicine enough to swim in. But I never got any help until I struck Ashland, six weeks ago. I am enly too sorry I can't stay with it. But circumstances force me to go back to Yamhill county.
