What Lies Beyond the Turn?

A child who flits like a shadow in front of your car before you know it—? A skid of those swift revolving wheels and a smashing ruin—? Another driver who, less careful than you, makes you suffer the penalty of his rashness—? Is there no message for you in the wrecks you read of in every daily paper? You cannot tell what lies beyond the turn of the road, but you can protect yourself against it—against damage to your car, against theft and against damage suits for personal injuries or property losses. DO IT NOW BEFORE IT IS TOO LATE.

Comply With the Law AND USE Printed Butter Wrappers. ACCORDING to the ruling of the Oregon Dairy and Food Commission all dairy butter sold or exposed for sale in this state must be wrapped in butter paper upon which is printed the words "Oregon Dairy Butter, 16 (or 32) ounces full weight," with the name and address of the maker. To enable patrons of the Tidings to easily comply with this ruling this office has put in a supply of the standard sizes of butter paper and will print it in lots of 100 sheets and upward and deliver it by parcels post at the following prices. Send your orders to us by mail accompanied by the price of the paper and it will be promptly forwarded to you by parcel post, prepaid.
