Notice to Exterminate Ground Squirrels

Every person, firm, co-partnership, company or corporation residing on, owning, leasing, occupying, possessing or having charge of or dominion over any land, building, wharf or dock infested with digger ground squirrels in Jackson County, Oregon, is hereby notified to begin at once to effectively exterminate and destroy all such DIGGER GROUND SQUIRRELS.

The following poison for mixing and instructions for use thereof is the method most expedient and effective to be used for the extermination and destruction of such ground squirrels and is hereby recommended, to-wit: Alkaloid strychnine used on either barley or wheat, barley preferred, mixed according to the following formula and manner, to-wit: Barley, clean grain.....16 quarts Strychnine (powdered alkaloid).....1 ounce Bicarbonate of soda (baking soda).....1 ounce Thin starch paste.....1/2 pint Heavy corn syrup.....1/2 pint Glycerine.....1 tablespoonful Saccharine.....1-10 ounce This material should be mixed as follows: Mix thoroughly 1 ounce of powdered strychnine (alkaloid) and 1 ounce of common baking soda. Stir this into 1/2 pint of thin hot paste and stir to a smooth creamy mass. (The starch paste is made by dissolving 1 heaping tablespoonful of dry gloss starch in a little cold water, which is then added to 1/2 pint of boiling water. Boil and stir constantly until a clear thin paste is formed). Add 1/2 pint heavy corn syrup and 1 tablespoonful of glycerine and stir thoroughly. Add 1-10 ounce of saccharine and stir thoroughly. Pour this mixture over 16 quarts of clean barley and mix well so that each grain is coated.

One quart of the poisoned grain mixed as aforesaid is sufficient for forty or fifty baits and this quantity scattered along squirrel trails or on clean hard places on the surface about the holes will not endanger stock. Strychnine in any form other than the powdered strychnine (alkaloid) is not effective in the above formula.

From the date hereof until May-1st is the most effective time to poison and destroy the digger squirrels, as they are just emerging from their hibernation. They are hungry and food is scarce.

The County Court of Jackson County, Oregon, has secured a large

amount of strychnine and the other ingredients necessary for the mixture and a quantity thereof has been mixed and is now on sale to the farmers or persons interested as actual cost and may be had by applying to the undersigned at his office in the Liberty building, or at the following places: Ashland Fruit Ass'n.....Ashland D. M. Lowe.....Talent Brown's Store.....Talent Phoenix Mercantile Co.....Phoenix Rogue River Fruit & Produce Ass'n.....Medford Fick Store.....Jacksonville Pernoll Store.....Applegate Paxson Drug Store.....Central Point Brown Bros.....Eagle Point Brown & Son.....Eagle Point Bowers Drug Co.....Gold Hill Don Wilson.....Rogue River Table Rock Store.....Table Rock

If any person herein designated shall, within 30 days from the first publication of this notice, fail to begin in good faith to exterminate, eradicate and destroy, according to the method aforesaid, or by any other effective means said ground squirrels herein designated, the County Court of Jackson County, Oregon, will appoint a person or persons to proceed with the extermination and eradication of such ground squirrels, and the cost thereof incurred will be assessed to such land, building, wharf or dock, and unless paid will become a lien against the same, for the extermination of said ground squirrels.

This notice is published pursuant to the statute in such case made and provided and for two consecutive weeks or three issues, and all persons described therein are required to take notice thereof.

Dated and first published this 14th day of March, 1921.

Opportunity Still Knocks At Your Door

E. E. Phipps has two or three extra good homestead relinquishments that you can secure right now cheap. Turn your city property for some well acreage. This is an opportunity that comes very seldom.

A fine river bottom ranch and a homestead with buildings already on it adjoining. Come in and talk to me about a trade. I'll put you wise.

What Lies Beyond the Turn?

A child who flits like a shadow in front of your car before you know it—?

A skid of those swift revolving wheels and a smashing ruin—?

Another driver who, less careful than you, makes you suffer the penalty of his rashness—?

Is there no message for you in the wrecks you read of in every daily paper?

You cannot tell what lies beyond the turn of the road, but you can protect yourself against it—against damage to your car, against theft and against damage suits for personal injuries or property losses. DO IT NOW BEFORE IT IS TOO LATE.
