The Soviet government is strongly in favor of the development of motion pictures and is paying great attention to the community effects of "movie" theatres, he says. The Lenin-Trotzky government has encour aged the erection of picture pla houses, which are operated by a commission of the Soviet government.

There are today some 3000 picture houses in Russia and more are being added constantly, Kohner declares A very large opening awaits American pictures in Russia as soon as trade agreements are established hetween that country and the United States. Virtually no production is going on in Russia.

POST OFFICE EXAMINATION TO BE HELD HERE JULY 23

The Tidings this morning received notice from the United States Civil Service commission requesting publicity for "an open competitive

examination to be held on July 23 STARTED BY SOVIET 1921, to fill the position of postmaster at each of the offices hereinafter named at which a vacancy exists.'

THE FAT man next to me. WAS READING one. OF MY cigarette ads. AND I felt him chuckle. NOW NO one had ever. PRAISED THAT ad. SO I had to ask. IF HE liked it AND HE said, "Sure." AND LAUGHED some more THEN HE said. "LOOK HERE" and pointed. AND WHERE I'd written. "PURE TOBACCO." THE PRINTER had set. "PURE TABASCO." AND THAT'S why the man. THOUGHT MY Ad.

I SWELLED with pride.

WAS HOT stuff. BUT THEN he said. FORGET THE ads. I NEVER read 'em. BUT LEMME tell you. SOMETHING DIFFERENT. THEY OUGHT to say ABOUT THAT cigarette. AND THAT is this. THEY SATISFY." AND DARNED if I don't think HE REALLY believed HE WAS giving me

YOU can blame it on the printer if you don't see "They Satisfy" in a Chesterfield advertisement. But be sure of this you'll find it in the ciga-rette every time. Wonderful Turkish and Domestic tobaccos, wonderfully blended—it sounds easy. But you'll find nothing else like Chesterfields.

That blend can't be copied.

SOMETHING NEW

The list of vacancies named are those of third class post offices in California, Colorado, Fiorida, Georgia, None are named in Oregon. The nearest point in the list of California post office vacanc'es is that of Hilts.

On the back of the sheet is printed Examinations will be held only at the following named places on the date indicated at the head of this announcement, but a competitor for any office may be examined at any one of the places named." "Ashland, Oregon," is among the names of cities where examinations will be held.

As the Ashland office has been a second class office for about 15 years it is thought by E. J. Katser, local postmaster, that the information has no relevant meaning to an appointment for the Ashland post office. It is probable, Mr. Kaiser states, that the examination will be held here to fill an existing vacancy at some nearby small town, probably Hilts.
