What Constitutes Advertising!
 In order to allay a misunderstanding among some as to what constitutes news and what advertising, we print this very simple rule which is used by newspapers to differentiate between them: "ALL future events, where an admission charge is made or a collection is taken IS ADVERTISING." This applies to organizations and societies of every kind as well as to individuals.

All reports of such activities after they have occurred is news.
 All coming social or organization meetings of societies where no money contribution is solicited, initiation charged, or collection taken is NEWS.

CHILDREN BEAT UNCLE SAM
 New YORK, July 5.—Here's how New York youngsters were making 2500 per cent profit on investments of one cent. They placed pennies on street car tracks and dropped the flattened coins into stamp vending machines, getting a quarter's worth each time.
 The scheme was broken up when a policeman arrested four, ranging in age from ten to twelve.

Good Reading

Did you ever stop to think that the advertisements of the home merchants in this newspaper make it a BETTER newspaper?
 Well, it does. Advertising teaches PROGRESS, ECONOMY—and CONFIDENCE.
 It teaches progress in keeping you abreast of the times, of all that is new and desirable in foods, clothing, homes, supplies, and comforts of all kinds.
 It teaches economy through informing you where the best prices may be had—because economy is not only in the mere saving of money but also in the intelligent spending of it.
 It teaches confidence through the knowledge gained in knowing you live as other folks live; enjoy the things they enjoy—that you have the same advantages.
 The text book of our worldly comforts is written in the terse lines of our merchandising advertisements—AND IT'S WELL WORTH READING.
 If we read the advertisements we soon realize that they can work to our advantage just as much as to the merchant with something to sell.
 Then the HOME-SPENT DOLLAR starts its peppy journey amongst we home folks—every one of whom has the development and growth of this community at heart.

Christian Endeavors Describe Earning Of Charch Fund Money

By MRS. C. F. KOEHLER
 Christian Endeavors met last evening on the lawn of the Presbyterian church for the monthly business and social meeting.
 Gertrude Brown was made treasurer; Gertrude Wiksch, chairman of Lookout committee; and Grace Leslie, chairman of missionary work in places of Archer, John and Mrs. Hoyt, who have resigned. \$10 was voted for union work and other business was transacted.
 The social committee distributed sheets of tissue paper, and the members adjourned to the church parlor where they manufactured some perfectly wonderful summer hats.
 Each wearing his own creation, a parade started. Each member then marched past the treasurer, left his contribution to the new church fund and told how it was earned, which was very entertaining.
 Nellie Hake gave hers in a very good song, words and music composed by herself. Rose Hake gave an original poem, one had borrowed his cash, one had ficed cars. The majority was apple thining and cherry picking money. Next the hats were tagged and left to the mercies of the social committee, while the

Weekly Report On Condition Of Pacific Highway

As to the condition of the Pacific highway between Roseburg and the California line as of July 10, beg to report as follows:
 Roseburg-Myrtle Creek, paving south of Roseburg, open at all hours, detours are used when available.
 Myrtle Creek-Canyonville, grading, fair detours via Riddle.
 Canyonville-Galesville, good macadam.
 Galesville-Wolf Creek, paving in progress at both ends of job; where detours are not available traffic will be allowed to pass at least every two hours.
 Wolf Creek-Grants Pass, paved, macadamized; take old road at summit of Smith hill; good condition when dry. From the foot of Smith hill to Grants Pass it is no longer necessary to detour via Merlin. The main highway can be used except when they are working, when a short detour is used.
 Grants Pass-Rock Point Arch, paved.
 Rock Point Arch-Gold Hill, paving,

take detour at Rock Point Arch. Gold Hill-Ashland, paved.
 Ashland-California line, paved except a 1 1/2 mile stretch on the summit of the Siskiyou and a short stretch seven miles south of Ashland where a short detour is necessary. Both good macadam.
Crater Lake Highway
 The Crater Lake road is now open to within one mile of the lake, there being from one to two feet of snow. The Crater Lake hotel opened July 1st; visitors will have to walk the last mile to reach the lake. A sprinkling truck will be used south of Prospect so that the road between Medford and Prospect will be as good or better than last year. From Prospect to the lake the new grade completed last year is to be used.
 Very truly,
 K. E. HODGMAN,
 Division Engineer.

ONE OFFICIAL CAME EARLY
 —BERLIN, July 5.—Chancellor Wirth is an early riser and hard worker. In fact, so hard a worker is he that he made the porter of the chancellery think a crazy man had appeared on the job when he showed up for work at 7 o'clock in the morning.
 "I want to go to the office of the chancellor," said Wirth to the porter, who didn't recognize him.
 The porter pointed a finger at his head, nodded dubiously, and remarked, "I guess you're not all there. It's too early," he answered.
 Wirth smiled. "You'll permit me to come earlier from now on," he remarked, despite the man's protest that 10 o'clock was bureaucratic time. "I'm the new chancellor."

SWISS COMING TO U. S.
 GENEVA, July 5.—Emigration, which had almost ceased in Switzerland during the war, has since been resumed on an increasing scale. According to a report published by the federal council, the high water mark of emigration was reached last year when 7988 Swiss and 1288 foreigners, resident in Switzerland, left the country. The favorite goal of Swiss emigrants is the United States; Argentine and Brazil come next, followed by Africa and Asia.
