CAR WASHING CAR WASHING and polishing

Don't Expose Your Property to Loss

If you were carrying \$5,000 or more of cash in your car you'd want to have it insured. But are you not driving your

car, with about all of your property exposed?

If you injure a man, and he obtains a damage verdict against you, you've got to pay it.

If you haven't the cash, your property can be sold to get it.

Don't risk your house, your bank account, your business. Let a first class automobile policy stand between your worldly goods and the result of that possible accident. DO IT NOW. A few dollars today may save you a few thousand tonight.
