MYSTERIOUS PAINS AND ACHES

Make Life Hard to Bear For Many Ashland Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often, disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tested kidney remedy—Doan's Kidney Pills. Hosts of people testify to their merit. Read an Ashland case:

Mrs. S. A. Eddings, 259 B St., says: "I know the value of Doan's Kidney Pills and gladly recommend them. Some time ago my kidneys were out of order. I became run down and had no energy. My back was weak and lame and ached dreadfully. The action of my kidneys was irregular, also. Doan's Kidney Pills soon relieved the aches and pains and put my kidneys in good condition."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Eddings had. Foster-Milburn Co., Mfrs., Buffalo.

Don't Expose Your Property to Loss

If you were carrying \$5,000 or more of cash in your car you'd want to have it insured.

But are you not driving your car, with about all of your property exposed?

If you injure a man, and he obtains a damage verdict against you, you've got to pay it.

If you haven't the cash, your property can be sold to get it.

Don't risk your house, your bank account, your business. Let a first class automobile policy stand between your worldly goods and the result of that possible accident. DO IT NOW. A few dollars today may save you a few thousand tonight.

"MAIDEN OF THE LAKE" ATTRACTS LARGE CROWD

(Continued from Page Two)

of the past efforts of lovers, who were not the true one, who have been drawn under by the demons that dwell in the water and toss it with their anger, and keep the Phantom ship from moving. The one thing that can move the ship is true love and a fearless heart. These will vanquish the evil spirits forever.

Fourth Trio. "Oh see, he comes, a lover comes!" This song continues with description of lover and wonderment as to whether he can be the one who can free the lake from the spell of the demons.

Fifth. The maiden on the isles tells to the lover telling him he is the true lover, to trust his heart and step on the Phantom ship.

Sixth Trio. Explanatory of the maiden's enchantment, which has been for ages.

Seventh. Dance of the Moon Fairies in intercession for the lovers and to cheer and urge the lover to

trust that true love overcomes all difficulties. Softly we dance to the summer moon, Fairies of love, sweet love in June, Lightly skimming the tossing stream We are weaving our airy fairy dream Sortly, softly we dance to the moon.

Eighth. Lover's song. "Over the streams and mountains your heart has called to mine," with an assurance to the maiden that he knows he is the lover true and that he will step on the ship without fear.

Ninth. Solo by chief of evil spirits: Step not, rash mortal, on the Phantom ship. It is fast anchored to the rugged shore. Trust not your heart, the call it hears is false. An endless grave in depthless deep awaits your soul.

We are the guardians of a priceless gem. No Indian warrior yet has crossed the tide. Turn back we warn you. Life is still your own, But touch the ship, and we will plunge you in the foam. Foam of a fear, deep, dark and drear That holds you from your maiden fair.

(b) A trio of evil spirits join the chief in warning the lover and affirming that love will not move the ship.

Tenth. Chorus—description of the lover's voyage: Oh, see, he's gone! The Phantom ship is sailing off. Oh, feel the roll of the mountain's mighty heart; Oh, hear the frightful shriek of the spirits of the deep! They toss the ship, the waters whip. Oh, see the lightning flash of the demon's dart!

Oh, see the spirits strike at his singing heart! Oh, hear the maiden's call come clearly o'er the sea! Oh, see the Phantom ship move softly on the blue! Love calls, love calls, love conquers fear!

He sails, he sails! Eleventh. Duet for lover and maiden arranged for both: The Phantom ship has crossed the tide And brought the lover to his bride. The demons dark of doubt and fear The water's wave has washed away. No more can they our love assail. No more will love e'er hear their wail.

The snow so white, the waters blue. Will ever guard a love so true. So, come, my love, dance with delight. Dance to the joy of love and life. We two will live, we two will live. With love always, with love always. Over the streams and the mountains True love has called to true love. Over the toss of the waters True love has answered true love. Heart close to heart in our joy, dear. Home on our mystic isle. Only the stars and the waters, deep blue.

The snow sifting down and the moon peeping through— The tall stately trees and the wee tiny birds— Will hear the love words I whisper to you. The ages through, the ages through. Twelfth. Chorus—description of the Phantom ship sailing back to its place. The departure of the vanquished evil spirits. The quiet waters and the birds singing of love triumphant. The lovers left on their isle to dwell in eternal happiness. And so— The dreamy silence sings of sleep And nature calls to rest. A lover lost has found his maid, A maid has found her love. Away out west, where love is best Two hearts that drifted long Have anchored on their mystic isle And sing the age-old song.

A song of love, and life and youth, And nothings lovers tell. So to his heart may he clasp his love And ever with her dwell.

Fordson TRACTOR

Henry Ford Was Right When He Said:

'The Tractor will enable the farmer to work fewer hours in the day, giving him more time to enjoy life. I believe the tractor will make farming what it ought to be—the most pleasant, the most healthful, the most profitable business on earth.'

This tractor has done much—very much—in bringing true Mr. Ford's prophecy; for in it is a machine which has harnessed one of the most dependable, efficient, adaptable, economical sources of power in the world—a machine that saves from thirty to fifty per cent of the farmer's time—a machine which many farmers claim plows, harrows or drills as much ground in the same time as four, six or even eight horses. And more—a machine that takes care of every power job on the farm.

Call and let's talk it over, or telephone or drop us a card and we will bring the facts to you.

Everything for QUALITY—nothing for show

THAT'S OUR IDEA in making CAMELS—the Quality Cigarette.

Why, just buy Camels and look at the package! It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside—secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight.

And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on merit alone. Because, men smoke Camels who want the taste and fragrance of the finest tobaccos, expertly blended. Men smoke Camels for Camels smooth, refreshing mildness and their freedom from cigarettey aftertaste.

Camels are made for men who think for themselves.
