But are you not driving your car, with about all of your property exposed?

If you injure a man, and he obtains a damage verdict against you, you've got to pay it.

If you haven't the cash, your property can be sold to get it.

Don't risk your house, your bank account, your business. Let a first class automobile policy stand between your worldly goods and the result of that possible accident. DO IT NOW. A few dollars today may save you a few thousand tonight.

"Aunt Martha's Corner Cupboard"

AUNT MARTHA used to go to her corner cupboard and produce articles of the common, or garden variety that folks never thought about because they were so matter-of-fact. When she told the simple story of these articles, they took on a marvelous interest and new importance.

Every day the Tidings publishes new editions of good "Aunt Martha's Corner Cupboard." These are the advertisements. Each advertisement has an interesting story to tell. It gives you information about something that will make you happier and more comfortable or save you money. They help you save steps.

Even the smallest of the advertisements says a whole lot.

Read them all for your own good!
