Cool off in Rose Bros' ice cream parlor where quality ice creams and sherbets are served. 264tf

**The Hard Work of Washday Reduced 80 per cent.**

Our Family Laundry Service will accomplish these things for you—lighten your washday toil by eighty per cent, and lessen your washday expense.

This is what we do: Our driver brings us your family bundle. We wash everything. Ours is a sterilizing, purifying process, as well as a cleansing.

Next we iron the flat pieces—the tablecloths, napkins, bed linen. Hosiery, underwear and bath towels we dry in warm, pure air, and in a manner that makes ironing unnecessary.

The remaining articles—the shirts and apparel that require it, we carefully starch. Finally we make a neat package of it all and deliver it without delay at your door.

The few unironed things you can finish in almost no time—certainly in one-fifth of the time it would require if you did your washing at home in the by-gone way.

The average cost of our Family Laundry Service varies usually from \$1.00 to \$2.00 a washing, according to the size of the bundle—though some are more and some less.

If you valued your own time at only ten cents an hour, this is less than it would cost you to ask in a laundress, or do the washing yourself.

Ours is the modern woman's way. Telephone and have our driver call for your family bundle.

**Ashland Laundry Co.**  
Phone 165.

**Twelve Pound Baby—**

A fine twelve pound son was born to Mr. and Mrs. Earl J. Fraley at Granite City hospital at 1 o'clock yesterday afternoon.

Save the cost of cleaning out carbon

Cleaning out carbon costs the average motorist from \$2 to \$8 every 1500 to 3000 miles. In addition, carbon damages the engine, reduces its power, cuts down gasoline mileage and runs up repair bills.

You can avoid carbon troubles by using **SUNOCO Motor Oil**—the oil that eliminates hard carbon deposit.

**SUNOCO** is a wholly-distilled, non-compounded oil—free of carbon-forming elements. Begin using it at once. We will tell you the right type for your car.
