SEASON IS NEAR ODESSA IN KLAMATH COUNTY

There has not been a forest fire of any consequence this season in the Crater national forest in the matter of loss of timber, although there have been numerous minor fires in the forest, which were easily extinguished.

The largest fire of the season so

The Lost Needle

HER'S an old English play known as "Gammer Garton's Needle." It's plot is woven around the loss of the family needle—no trifling misfortune in the days of old.

Today, in this era of ours, life is so rich in comforts that we seldom wonder how folks got along in the ancient world And we sometimes forget what an important role advertising has played in making life pleasant and altogether livable.

Advertising has one of the leading parts in the eternal drama of dollars. To it is directly due much of the multiplication of products and services which has come about during the last half century.

It has smoothed the mechanics of existence-made life easier and more pleasant by bringing countless necessitiesonce considered luxuries-within our easy reach and into continuous use.

Think of this when you read these columns. You owe much to advertising.

And you miss much when you fail to read it !
