THE CITIZENS BANK OF ASHLAND. YOU HAVE HEARD of men who could hardly write their own name—but who SAVED MONEY! Are you, who can read, write and earn money willing to be outdone by men less intelligent than yourself? Think it over, and start a Savings Account in this strong bank today.

The First National Bank. ASHLAND, OREGON. THE HABIT OF SAVING. Good habits are as easily formed as bad ones, and persist longer. That is why parents should teach their children the delight of financial independence, the ability to get big things by foregoing trifles—in general—the sane use of money. The First National Bank welcomes the savings accounts of boys and girls. We know that the ones who acquire the thrift habit now will later on be the substantial citizens of this community.
